Call Yolo County Recycling Coordinator for information:

(530) 666-8856

phedrick@yolocounty.org

Landfill fees are expensive, around $43 per ton. We help you avoid that cost. Yolo County's integrated Waste Management Division has partnered with Encore to service our growers with an environmental and economically sustainable recycling program. A grower with 1,000 acres will **save $43,000 per year** by using our service!

AG Materials

Accepted:

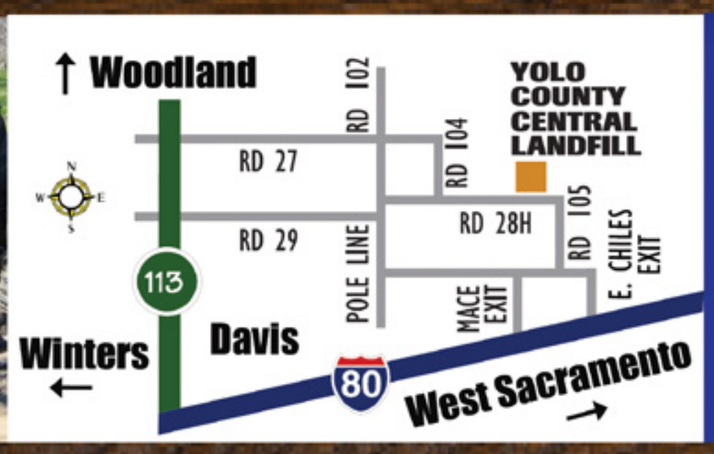
- Agriculture Irrigation Drip Tape
- Almond Film Plastic
- Black Mulch Film Plastic
- HDPE Plastic Grape Cover
- Greenhouse Film Plastic
- Strawberry Fumigation Tarp

NOT Accepted:

- TIF/VIF Films
- Buckets
- Rigid Plastic
- Paper
- Twine
- Nylon

Material must be bound and tied into rolls or bales to be accepted for free under this program (see example below):

Example of an acceptable stack - dripperline is coiled, stacked and tied into individual rolls.



Recycle Ag Plastic at:
Yolo County Central Landfill
44090 County Road 28H,
Woodland 95776
