

Hello everyone! ☺

The class got a chance to attend the WHS girl's soccer game on Tuesday February 23rd, you can find pictures on the ASP Facebook page. So far this month we have field trip to Pizza Factory on Monday March 7th. The students will get an opportunity to tour the kitchen and make their own personal pizza. We are also planning on having an Easter egg hunt for the students on Friday March 25th.

Every day the class continues to read 30 minutes and write in their journals. After completing homework they work on their academic packets and may also work on IXL or read extra time.

Our theme for enrichment this month is St.Patrick's/Easter we have some fun crafts planned for the month.

Munchkin Summer Camp Registration has begun! We are very excited for this summer with all of the fun and learning we will be doing with the students. Please make sure your students have received their fliers, which were put in each of your boxes. We are first come first serve and we have approximately 20 spaces per grade. We serve students going into 1st grade through students going into 6th grade. Fliers will be going out to all your students the last week in February and packets will be available at City Hall, WASP classrooms, Waggoner office and Shirley Rominger office. If you have students that need to continue learning over summer break please make sure they sign up!! Tuition is \$100 per child with a free/reduced lunch or \$200 if they do not. If you have any questions about the program please contact us.

Please feel free to come to me with any questions or concerns you may have.

Thank You

Diana
