DISCUSSION ITEMS

1. Consideration of Resolution OB-2016-02 of the Oversight Board of the Successor Agency to the Dissolved Winters Community Development Agency of the City of Winters Approving the Re-Conveyance of Property Erroneously Transferred to the Winters Community Development Agency

Housing Programs Manager Dan Maguire gave an overview.

Board Member Chapman asked for clarification and Dan reiterated that although the sale of the property from the City to the Winters Community Development Agency (CDA) was approved by Council and the proceeds were to be deposited into a downtown parking account, the City was never compensated by the CDA, yet the grant deed was recorded erroneously. Staff is asking for the authority from the Oversight Board to void the transaction, but the Department of Finance will render the final decision. Board Member Chapman asked if there would be legal ramifications and how does one legally void a grant deed. Dan said the title company and the Yolo County Recorder's office will not accept a revised grant deed without proper documentation. Staff, who is working with the City Attorney, has received approval from the Successor Agency and is seeking approval from the Oversight Board and the Department of Finance for corrective action. Agency Chairman Justus confirmed that if funds had been transferred from the CDA to the City of Winters, this would have been a Successor Agency property and included in the Long Range Property Management Plan (LRPMP). Director of Financial Management confirmed the County Assessor's parcel list shows the City of Winters as the owner of the property, not the CDA. The error was discovered when the preliminary title report was reviewed by staff.

Motion by Board Member Chapman, second by Board Member Mills to approve Resolution OB-2016-02 approving the re-conveyance of property erroneously transferred to the Winters Community Development Agency. Motion carried with the following vote:

AYES: Board Members Chapman, Mills, Romney, Board Chairman Justus
NOES: None
ABSENT: Board Members Anderson, Cirolini, and Saylor
ABSTAIN: None

STAFF REPORT: Director of Financial Management Gunby reported that there should be a single Oversight Board by July, 2016.

ADJOURNMENT: Board Chairman Justus adjourned the meeting at 2:26 p.m.

RECOMMENDATION:

Staff recommends that the Oversight Board to Successor Agency to the Winters Community Development Agency (the "Successor Agency"), by minute motion:

- Adopt Resolution No. OB- 2016 - 04, authorizing the Successor Agency's issuance of tax allocation refunding bonds, and taking related actions.
- Adopt Resolution No. OB- 2016 - 03, authorizing the Successor Agency's use of moneys received from Fiscal Year 2016 17 Redevelopment Property Tax Trust Fund ("RPTTF") disbursements for refunding bonds debt service, and taking related actions

BACKGROUND:

To finance redevelopment projects, the former Winters Community Development Agency (the "Former Agency") issued a series of bonds in 2004 (the "2004 Bonds") and a series of bonds in 2007 (the "2007 Bonds"). There are still outstanding \$4,650,000 in principal amount of 2004 Bonds and \$9,855,000 in principal amount of 2007 Bonds. Based upon favorable bond market conditions, the Successor Agency may now issue bonds (the "Refunding Bonds") to refund the remaining 2004 Bonds and 2007 Bonds to achieve debt service savings.

REVIEW AND ANALYSIS:

Resolution No. OB-2016-04 authorizing issuance of Refunding Bonds

Successor Agency Staff has been working with its financial advisor, NHA Advisors (the "Municipal Advisor"), to analyze and evaluate the refinancing opportunity for the outstanding 2004 Bonds and 2007 Bonds.

Pursuant to Health and Safety Code Section 34177.5, the Successor Agency may issue Refunding Bonds to refund the outstanding 2004 Bonds and 2007 Bonds provided certain factors are met. Requirements include no additional interest cost and no additional principal other than the amount needed to redeem the outstanding bonds, pay for issuance costs, and meet required debt reserves.

Based on the attached savings analysis prepared by the Municipal Advisor, it is expected that there will be sufficient interest rate savings to justify the Successor Agency's initiation of the process to issue the Refunding Bonds.

On November 1, 2016, the Governing Board of the Successor Agency adopted Resolution No. SA-2016-03, approving the issuance of the Refunding Bonds and authorizing the Successor Agency's execution and delivery of an Indenture, which will govern the terms of the Refunding Bonds.

Pursuant to Health and Safety Code Section 34177.5, before the Successor Agency's issuance of the Refunding Bonds, the Successor Agency must also obtain the Oversight Board's approval by resolution and, the subsequent approval by the State Department of Finance (the "DOF") of such Oversight Board resolution. By adopting Resolution No. OB-2016-04, the Oversight Board will authorize the Successor Agency's issuance of the Refunding Bonds.

After the Oversight Board's adoption of Resolution No. OB-2016-04, Staff will forward the resolution to the DOF. By law, the DOF will have an initial 5 business day review period, during which the DOF will have the option to (and will likely) extend its review by another 60 days. Based on the current financing schedule, it is anticipated that the DOF's

approval will be received in early January 2017, and the sale and closing of the Refunding Bonds could be completed by early February 2017.

Resolution No. OB-2016-03 Approving Use of FY 2016-17 RPTTF Disbursements for Refunding Bonds Debt Service.

Resolution No. OB-2016-03 pertains to a clarification relating to the Successor Agency's Recognized Obligation Payment Schedule for Fiscal Year 2016-17 ("ROPS 16-17"). The Oversight Board approved ROPS 16-17 on January 25, 2016. The DOF approved ROPS 16-17 on March 16, 2016.

Listed as certain line items on ROPS 16-17 are the debt service payments for the 2004 Bonds and the 2007 Bonds. Upon the successful issuance of the Refunding Bonds, the Successor Agency will be paying debt service on the Refunding Bonds. This resolution clarifies that the Successor Agency will be permitted to redirect a portion of the RPTTF disbursements originally intended for the 2004 Bonds and the 2007 Bonds toward debt service on the Refunding Bonds, without any amendment to ROPS 16-17.

FISCAL IMPACT:

Based on current market rates, a refinancing of the outstanding bonds is expected to generate over \$2.3 million in gross cash flow savings through 2038. The savings will become moneys available for the Successor Agency's enforceable obligations, as approved on the ROPS or, if not needed for ROPS-approved obligations, for disbursement to taxing entities as RPTTF residuals through the semi-annual RPTTF distribution process.

(c) General Redemption Provisions

(1) Selection of Bonds. Whenever less than all of the Outstanding Bonds of a maturity are called for redemption at any one time, the Trustee shall select the Bonds to be redeemed from the Outstanding Bonds of such maturity not previously selected for redemption, by lot; provided, that if less than all of the Outstanding Term Bonds of any maturity are called for optional redemption, each future Sinking Account Installment with respect to such Term Bonds will be reduced on a *pro rata* basis (as nearly as practicable) in integral multiples of \$5,000, so that the total amount of Sinking Account Installment payments (with respect to such Term Bonds) to be made after the optional redemption shall be reduced by an amount equal to the principal amount of the Term Bonds so redeemed, as shall be designated by the Successor Agency to the Trustee in writing.

(2) Purchase in Lieu of Redemption. In lieu of redemption of any Term Bond, upon the Written Request of the Successor Agency, the Trustee may apply amounts on deposit in the Debt Service Fund or the Sinking Account at any time, for the purchase of such Term Bonds at public or private sale as and when and at such prices (including brokerage and other charges, but excluding accrued interest, which is payable from the Interest Account) as the Successor Agency may determine in its discretion, but not in excess of the principal amount thereof. No Bonds shall be so purchased by the Trustee with a settlement date more than 60 days prior to the redemption date. The principal amount of any Term Bonds so purchased by the Trustee in any 12 month period ending 30 days prior to any Principal Payment Date in any year shall be credited towards and shall reduce the principal amount of such Term Bonds required to be redeemed on such Principal Payment Date in such year.

(3) Notice. Notice of redemption shall be sent by first class mail (or with respect to notices to be received by DTC or its nominee, the Information Services or the Securities Depository, by such transmission method as acceptable to such entity) by the Trustee, on behalf and at the expense of the Successor Agency, not more than 60 days and not less than 30 days before the redemption date to: (i) the respective Owners of Bonds designated for redemption at their addresses appearing on the bond registration books of the Trustee, (ii) the Information Services, and (iii) the Securities Depository. Each notice of redemption shall state the date of such notice, the Bonds to be redeemed, the redemption date, the redemption price, the place or places of redemption (including the name and appropriate address or addresses), the CUSIP number (if any) of the maturity or maturities, and, if less than all of any such maturity are to be redeemed, the distinctive certificate numbers of the Bonds of such maturity to be redeemed and, in the case of Bonds to be redeemed in part only, the respective portions of the principal amount thereof to be redeemed. Each such notice shall also state that on said date there will become due and payable on each of such Bonds the redemption price thereof or of said specified portion of the principal amount thereof in the case of a Bond to be redeemed in part only, together with interest accrued thereon to the redemption date, and that from and after such redemption date interest thereon shall cease to accrue, and shall require that such Bonds be then surrendered at the address or addresses of the Trustee specified in the redemption notice. If, at the time that the notice redemption is sent to the Owner, the Successor Agency has not deposited with the Trustee sufficient funds to pay the redemption price and accrued interest, in full, with respect to the Bonds being called, the notice shall expressly state that the redemption is conditioned upon the Successor Agency's deposit of funds on or before the redemption date.

Failure by the Trustee to give notice pursuant to this Section to the Information Services or Securities Depository, or the insufficiency of (or the defect in) any such notice shall not affect the sufficiency of the proceedings for redemption. The failure of any Owner to receive any redemption notice sent to such Owner and any defect in the notice so sent shall not affect the sufficiency of the proceedings for redemption.

(4) Partial Redemption. Upon surrender of any Bond redeemed in part only, the Successor Agency shall execute (manually or by facsimile) and the Trustee shall authenticate and deliver to the Owner of such Bond, at the expense of the Successor Agency, a new Bond or Bonds of authorized denominations equal in aggregate principal amount to the unredeemed portion of the Bond surrendered and of the same interest rate and the same maturity. A partial redemption shall be valid upon payment of the amount required to be paid to the registered owner, and the Successor Agency and the Trustee shall be released and discharged from all liability to the extent of such payment.

(5) Right to Rescind. The Successor Agency shall have the right to rescind any optional redemption by written notice of rescission. Any notice of optional redemption shall be cancelled and annulled if for any reason funds are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption. Neither such cancellation nor lack of available funds shall constitute an Event of Default under this Indenture. The Trustee will send notice of rescission of such redemption in the same manner as the original notice of redemption was sent.

(6) Effect of Redemption. From and after the date fixed for redemption, if notice of such redemption shall have been duly given and funds available for the payment of such redemption price of the Bonds so called for redemption shall have been duly provided, no interest shall accrue on such Bonds from and after the redemption date specified in such notice. Such Bonds, or parts thereof redeemed, shall cease to be entitled to any lien, benefit or security under the Indenture.

All Bonds redeemed pursuant to the provisions of this Section shall be canceled by the Trustee and the Trustee shall upon Written Request of the Successor Agency deliver a certificate of destruction to the Successor Agency.

SECTION 2.05 Execution of Bonds. Any such signatures may be printed, lithographed or reproduced by other kinds of facsimile reproduction, on a Bond to the extent permitted by law. In case any officer whose signature appears on the Bonds shall cease to be such officer before the delivery of the Bonds to the purchaser thereof, such signature shall nevertheless be valid and sufficient for all purposes the same as though such officer had remained in office until such delivery of the Bonds.

Only such Bonds bearing thereon a certificate of authentication and registration in the form set forth in Appendix A, executed manually by the Trustee, shall be entitled to any

benefits under the Indenture or be valid or obligatory for any purpose, and such certificate of the Trustee shall be conclusive evidence that the Bonds so registered have been duly issued and delivered under this Indenture and are entitled to the benefits of the Indenture.

SECTION 2.06 Transfer and Registration of Bonds. Any Bond may, in accordance with its terms, be transferred, upon the books required to be kept pursuant to the provisions of Section 2.08, by the person in whose name it is registered, in person or by that person's duly authorized attorney, upon surrender of such Bond for cancellation, accompanied by delivery of a written instrument of transfer in substantially the form set forth in Appendix A hereto duly executed.

Whenever any Bond or Bonds shall be surrendered for transfer, the Successor Agency shall execute and the Trustee shall authenticate and deliver a new Bond or Bonds of like tenor, maturity and Total Maturity Amount. The cost of printing any Bonds and any services rendered or expenses incurred by the Trustee in connection with any such transfer shall be paid by the Successor Agency, except that the Trustee shall require the payment by the Owner requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer.

The Trustee shall not be required to register the transfer or exchange of any Bond during the 15 days preceding any date established by the Trustee for selection of Bonds for redemption or any Bonds which have matured or been selected for redemption.

SECTION 2.07 Exchange of Bonds. Bonds may be exchanged at the Trust Office for the same aggregate Total Maturity Amount of Bonds of the same maturity of other authorized denominations. The cost of printing any Bonds and any services rendered or expenses incurred by the Trustee in connection with any such exchange shall be paid by the Successor Agency, except that the Trustee shall require the payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange. No such exchange shall be required to be made during the 15 days preceding any date established by the Trustee for selection of Bonds for redemption or any Bonds which have matured or been selected for redemption.

SECTION 2.08 Bond Registration Books. The Trustee will keep at the Trust Office sufficient books for the registration and transfer of the Bonds, which shall at all times be open to inspection by the Successor Agency during regular business hours with reasonable prior notice; and, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer the Bonds on said books as hereinbefore provided.

SECTION 2.09 Mutilated, Destroyed, Stolen or Lost Bonds. In case any Bond shall become mutilated in respect of the body of such Bond, or shall be believed by the Successor Agency to have been destroyed, stolen or lost, upon proof of ownership satisfactory to the Trustee, and upon the surrender of such mutilated Bond at the Trust Office, or upon the receipt of evidence satisfactory to the Trustee of such destruction, theft or loss, and upon receipt also of indemnity satisfactory to the Successor Agency and the Trustee, and upon payment of all expenses incurred by the Successor Agency and the Trustee, the Successor Agency shall execute (manually or by facsimile) and the Trustee shall authenticate and deliver at the Trust Office a

new Bond or Bonds of the same maturity and for the same Total Maturity Amount, of like tenor and date, with such notations as the Successor Agency shall determine, in exchange and substitution for and upon cancellation of the mutilated Bond, or in lieu of and in substitution for the Bond so destroyed, stolen or lost.

If any such destroyed, stolen or lost Bond shall have matured or shall have been called for redemption, payment of the amount due thereon may be made by the Trustee upon receipt by the Trustee and the Successor Agency of like proof, indemnity and payment of expenses.

Any such replacement Bonds issued pursuant to this Section shall be entitled to equal and proportionate benefits with all other Bonds issued under this Indenture. The Successor Agency and the Trustee shall not be required to treat both the original Bond and any replacement Bond as being Outstanding for the purpose of determining the principal amount of Bonds which may be issued under this Indenture or for the purpose of determining any percentage of Bonds Outstanding under this Indenture, but both the original and replacement Bond shall be treated as one and the same.

SECTION 2.10 Temporary Bonds. Until definitive Bonds shall be prepared, the Successor Agency may cause to be executed and delivered in lieu of such definitive Bonds and subject to the same provisions, limitations and conditions as are applicable in the case of definitive Bonds, except that they may be in any denominations authorized by the Successor Agency, one or more temporary typed, printed, lithographed or engraved Bonds in fully registered form, as may be authorized by the Successor Agency, substantially of the same tenor and, until exchanged for definitive Bonds, entitled and subject to the same benefits and provisions of the Indenture as definitive Bonds. If the Successor Agency issues temporary Bonds it will execute and furnish definitive Bonds without unnecessary delay and thereupon the temporary Bonds shall be surrendered to the Trustee at the Trust Office, without expense to the Owner in exchange for such definitive Bonds. All temporary Bonds so surrendered shall be canceled by the Trustee and shall not be reissued.

SECTION 2.11 Validity of Bonds. The validity of the authorization and issuance of the Bonds shall not be affected in any way by any other proceedings taken by the Successor Agency with respect to the Project Area, or by any contracts made by the Successor Agency in connection therewith, and the recital contained in the Bonds that the same are issued pursuant to the Law shall be conclusive evidence of their validity and of the regularity of their issuance.

SECTION 2.12 Book-Entry System. The Bonds shall be issued as Book-Entry Bonds in fully registered form with no distribution of physical bonds made to the public. Each maturity of Book-Entry Bonds shall be in the form of a separate single fully registered Bond (which may be typewritten); provided, that if there are different interest rates within a maturity, then there shall be one separate single fully registered Bond for each interest rate within such maturity. Upon initial issuance, the ownership of each such Bond shall be registered in the bond register in the name of the Nominee, as nominee of the Depository.

With respect to Book-Entry Bonds, the Successor Agency and the Trustee shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds an interest in such Book-Entry Bonds. Without limiting the immediately

preceding sentence, the Successor Agency and the Trustee shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee, or any Participant with respect to any ownership interest in Book-Entry Bonds, (ii) the delivery to any Participant or any other person, other than an Owner as shown in the bond register, of any notice with respect to Book-Entry Bonds, including any notice of redemption, (iii) the selection by the Depository and its Participants of the beneficial interests in Book-Entry Bonds to be redeemed in the event the Successor Agency redeems such in part, or (iv) the payment of any Participant or any other person, other than an Owner as shown in the bond register, of any amount with respect to principal of, premium, if any, or interest on Book-Entry Bonds. The Successor Agency and the Trustee may treat and consider the person in whose name each Book-Entry Bond is registered in the bond register as the absolute Owner of such Book-Entry Bond for the purpose of payment of principal, premium and interest with respect to such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Trustee shall pay all principal of, premium, if any, and interest on the Bonds only to or upon the order of the respective Owner, as shown in the bond register, and all such payments shall be valid and effective to fully satisfy and discharge the Successor Agency's obligations with respect to payment of principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the bond register, shall receive a Bond evidencing the obligation of the Successor Agency to make payments of principal, premium, if any, and interest pursuant to this Indenture. Upon delivery by the Depository to the Trustee and Successor Agency of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions in this Indenture with respect to record dates, the word Nominee in this Indenture shall refer to such nominee of the Depository.

In order to qualify the Book-Entry Bonds for the Depository's Book-Entry system, the Successor Agency has executed and delivered to the Depository the Letter of Representations. The execution and delivery of the Letter of Representations do not in any way impose upon the Successor Agency or the Trustee any obligation whatsoever with respect to persons having interests in such Book-Entry Bonds other than the Owners, as shown on the bond register. In addition to the execution and delivery of the Letter of Representations, the Successor Agency and the Trustee, at the Written Request of the Successor Agency, shall take such other actions, not inconsistent with this Indenture, as are reasonably necessary to qualify Book-Entry Bonds for the Depository's Book-Entry program.

In the event: (i) the Depository determines not to continue to act as securities depository for the Book-Entry Bonds, or (ii) the Depository shall no longer so act and gives notice to the Trustee and the Successor Agency of such determination, then the Successor Agency will discontinue the Book-Entry system with the Depository. If the Successor Agency determines to replace the Depository with another qualified securities depository, the Successor Agency shall prepare or direct the preparation of a new single, separate, fully registered Bond for each maturity of such Book-Entry Bonds (provided, that if there are different interest rates within a maturity, then there shall be one separate single fully registered Bond for each interest rate within such maturity), registered in the name of such successor or substitute qualified securities depository or its nominee. If the Successor Agency fails to identify another qualified securities depository to replace the Depository, then the Bonds shall no longer be restricted to being

registered in such bond register in the name of the Nominee, but shall be registered in whatever name or names Owners transferring or exchanging such Bonds shall designate, in accordance with the provisions of Sections 2.06 and 2.07.

Notwithstanding any other provision of this Indenture to the contrary, so long as any Book-Entry Bond is registered in the name of the Nominee, all payments with respect to principal of, premium, if any, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, as provided in the Letter of Representations or as otherwise instructed by the Depository.

ARTICLE III ISSUANCE AND SALE OF BONDS; APPLICATION OF SALE PROCEEDS; RESERVE POLICY DEPOSIT

SECTION 3.01 Sale of Bonds; Allocation of Proceeds among Funds and Accounts. Upon receipt of payment for the Bonds, the Trustee shall set aside and deposit the proceeds received from such sale in the amount of \$_____ (which is equal to the par amount of the Bonds, [plus/less] a net original issue [premium/discount] of \$_____, and less an underwriter's discount of \$_____, [and less the premium paid to the Bond Insurer by the Underwriter on behalf of the Successor Agency for the purchase of the Bond Insurance Policy and the Reserve Policy]) as follows:

(a) Deposit in the Costs of Issuance Fund the amount of \$_____ to pay the costs incurred or to be incurred by the Successor Agency in connection with the issuance of the Bonds;

(b) Transfer the amount of \$_____ to the 2004 Bonds Escrow Fund established pursuant to the 2016 Escrow Agreement; and

(c) Transfer the amount of \$_____ to the 2007 Bonds Escrow Fund established pursuant to the 2016 Escrow Agreement.

SECTION 3.02 Deposit of Reserve Policy. Upon receipt of the Reserve Policy on the Closing Date, the Trustee shall credit the Reserve Policy to the Reserve Account.

ARTICLE IV TAX REVENUES; CREATION OF FUNDS

SECTION 4.01 Pledge of Tax Revenues. All the Tax Revenues and all moneys in the Special Fund and the Debt Service Fund established and maintained pursuant to this Indenture, whether held by the Successor Agency, the County Auditor-Controller or the Trustee (except any funds set aside for payment of the Rebate Amount pursuant to the Code), are hereby irrevocably pledged to the punctual payment of the interest on and principal of and redemption premiums, if any, on the Bonds until their release pursuant to the terms of this Indenture. The Tax Revenues and such other money shall not be used for any other purpose while any of the Bonds remain Outstanding, subject to the provisions of this Indenture permitting application thereof for the purposes and on the terms and conditions set forth in this Indenture [(including the use of Tax Revenues to pay reimbursement to the Bond Insurer pursuant to Article X)]. This pledge shall

constitute a first lien on the Tax Revenues and such other money for the payment of the Bonds in accordance with the terms hereof. The Successor Agency hereby represents that, as of the Closing Date for the Bonds, the Successor Agency does not have any other outstanding indebtedness secured by Tax Revenues which is ranked senior to or on a parity with the Bonds. So long as the Bonds remain Outstanding, the Successor Agency shall not incur any Parity Obligations, except as permitted under Section 5.02.

SECTION 4.02 Special Fund; Receipt and Deposit of Tax Revenues; Debt Service Fund.

(a) There is hereby established a special fund known as the "Special Fund" held by the Successor Agency.

(b) The Successor Agency shall include in each ROPS to be submitted after the effective date of this Indenture, a request for the County Auditor-Controller to disburse from the RPTTF to the Successor Agency on each RPTTF Disbursement Date, the following amounts:

(1) for any ROPS Payment Period which covers payments from January through June of a calendar year: (A) the interest payment coming due with respect to the Outstanding Bonds and Parity Obligations (if any) on March 1 of such ROPS Payment Period; (B) at least one-half (but, at the discretion of the Successor Agency, may be up to all) of the principal amount (including maturing principal and any Sinking Account Installment) coming due with respect to the Bonds and Parity Obligations (if any) on September 1 of such calendar year (the "Principal Reserve"), and (C) at the discretion of the Successor Agency, an amount up to the full interest payment coming due with respect to the Outstanding Bonds and Parity Obligations (if any) on the upcoming September 1 Interest Payment Date (the "Interest Reserve");

(2) for any ROPS Payment Period which covers payments from July through December of a calendar year: (A) an amount equal to the interest payment coming due with respect to the Outstanding Bonds and Parity Obligations (if any) on the September 1 of such ROPS Payment Period, less any Interest Reserve already received in connection with the immediately prior ROPS Payment Period and deposited with the Trustee; and (B) an amount equal to the principal amount (including maturing principal and any Sinking Account Installment) coming due with respect to the Bonds and Parity Obligations (if any) on September 1 of such calendar year, less the Principal Reserve already received in connection with the immediately prior ROPS Payment Period and deposited with the Trustee; and

(3) amounts, if any, required to replenish the Reserve Account (including payments to the provider of any Qualified Reserve Credit Instrument for draws on such Qualified Reserve Credit Instrument), as required pursuant to Section 4.05 below, and to replenish Parity Reserve Accounts (if any).

The Successor Agency shall also include on the periodic ROPS for approval by the Oversight Board and State Department of Finance, to the extent necessary and permitted under the Dissolution Act, the amounts to be held as a reserve until the next ROPS Payment Period, as contemplated by HSC Section 34171(d)(1)(A), if the next property tax allocation is

projected to be insufficient to pay all obligations due under this Indenture during that next ROPS Payment Period. To that end, whenever the Successor Agency is preparing a ROPS, the Successor Agency shall, based on information obtained from the County Auditor-Controller, review the amount of dollars deposited in the RPTTF on the two immediately prior RPTTF Disbursement Dates. For the purposes of complying with this paragraph (*i.e.*, projecting whether the next property tax allocation will be sufficient to pay all obligations due under this Indenture during the next ROPS Period), the Successor Agency shall assume that the property tax revenue collection (and thus, the dollar amount to be deposited in the RPTTF) will be consistent with the pattern shown during the last two ROPS Payment Periods, but without any assumed increase to the assessed value of the taxable properties in the Project Area.

(c) Upon the Successor Agency's receipt of Tax Revenues on each RPTTF Disbursement Date, the Successor Agency shall apply the Tax Revenues pursuant to the ROPS (as approved by the State Department of Finance) and deposit the Tax Revenues received for the payment of debt service of the Bonds and any Parity Obligations and any replenishment of the Reserve Account and Parity Reserve Accounts into the Special Fund. During each Bond Year, the Successor Agency shall deposit such moneys in the Special Fund until such time as the amount so deposited in the Special Fund is at least equal to the sum of (i) the aggregate amount required to be transferred to the Trustee pursuant to this Section 4.02 and Section 4.05 for such Bond Year, and (ii) the aggregate amount required by the governing documents of the Parity Obligations to be transferred for the debt service payment and replenishment of the Parity Reserves.

(d) In addition to the foregoing, from the moneys received by the Successor Agency as part of January 2017 RPTTF disbursement, the Successor Agency shall promptly deposit \$_____ into the Special Fund for application toward debt service on the Bonds. Such amount represents moneys received by the Successor Agency pursuant to a listing on the ROPS for the "ROPS 16-17B" period (*i.e.*, the ROPS Payment Period covering January 2017 through June 2017) that would have been used for debt service for the 2004 Bonds and the 2007 Bonds if they were not refunded.

(e) There is hereby established a fund known as the "Debt Service Fund," to be held by the Trustee. On or before the fifth Business Day immediately preceding any Interest Payment Date, the Successor Agency shall withdraw from the Special Fund and deposit with the Trustee the amount of money necessary to make the deposits required in Sections 4.05(a), (b) and (c). After the deposits described in Sections 4.05(a), (b) and (c) have been made and upon notice from the Trustee, the Successor Agency shall withdraw from the Special Fund and deposit with the Trustee the amount of money necessary to make any deposit required by Section 4.05(d). Notwithstanding the foregoing, the Successor Agency is not required to deposit with amount of Tax Revenues in excess of that amount which, together with all money then on deposit with the Trustee in the Debt Service Fund and the accounts therein, shall be sufficient to discharge all Outstanding Bonds pursuant to Article IX.

(f) If and only at such time that, during any Bond Year, the moneys deposited in the Special Fund is at least equal to the amount required to be transferred to the Trustee pursuant to Section 4.02(d) for such Bond Year (the "Bond Year Requirement"), then the Tax Revenues in excess of the Bond Year Requirement shall be released from the pledge and lien

hereunder and such excess Tax Revenues may be applied for other lawful purposes. So long as any Bonds are Outstanding, the Successor Agency shall not have any beneficial right or interest in the moneys on deposit in the Special Fund or the Debt Service Fund, except as may be provided in this Indenture.

SECTION 4.03 Division of Accounts for Record Keeping. The funds and accounts established in this Indenture may be divided by the Successor Agency or by the Trustee, as applicable, as necessary or appropriate for record keeping purposes, and upon the Written Request of the Successor Agency, in order to perform the necessary rebate calculations.

SECTION 4.04 Costs of Issuance Fund. There is hereby established a special trust fund held by the Trustee called the "Costs of Issuance Fund." All moneys in the Costs of Issuance Fund shall be applied to the payment of costs and expenses incurred by the Successor Agency in connection with the authorization, issuance and sale of the Bonds and shall be disbursed by the Trustee upon delivery to the Trustee of a requisition, substantially in the form attached hereto as Appendix B, executed by an Authorized Officer of the Successor Agency. Each such requisition shall be sequentially numbered and state the name and address of the person, firm or corporation to whom payment is due, the amount to be disbursed, the purposes for such disbursement and that such obligation has been properly incurred and is a proper charge against the Costs of Issuance Fund. Upon the earlier of the payment in full of such costs and expenses (or the making of adequate provision for the payment thereof, evidenced by a Certificate of the Successor Agency to the Trustee) or six months after the Closing Date, any balance remaining in the Costs of Issuance Fund shall be transferred to the Debt Service Fund and the Costs of Issuance Fund shall be closed. Pending the application and transfer of the balance to the Debt Service Fund, the moneys in the Costs of Issuance Fund may be invested as permitted by Section 4.06 and investment income resulting from any such investment shall be retained in the Costs of Issuance Fund.

SECTION 4.05 Establishment and Maintenance of Accounts for Use of Moneys in the Debt Service Fund. The Trustee shall deposit all moneys received from the Successor Agency pursuant to Section 4.02(d) immediately into the Debt Service Fund. All moneys in the Debt Service Fund shall be set aside by the Trustee in each Bond Year when and as received in the following respective special accounts within the Debt Service Fund (each of which is hereby created and each of which the Trustee hereby agrees to cause to be maintained), in the following order of priority (except as otherwise provided in subsection (b) below):

- (i) Interest Account;
- (ii) Principal Account;
- (iii) Sinking Account; and
- (iv) Reserve Account.

All moneys in each of such accounts shall be held in trust by the Trustee and shall be applied, used and withdrawn only for the purposes hereinafter authorized in this Section 4.05.

(a) Interest Account. On or before each Interest Payment Date, the Trustee shall set aside from the Debt Service Fund and deposit in the Interest Account: (1) an amount of money which, together with any money contained in the Interest Account, is equal to the aggregate amount of the interest becoming due and payable on all Outstanding Bonds on such Interest Payment Date, and (2) the Interest Reserve, if any (as specified by the Successor Agency to the Trustee in writing). No deposit need be made into the Interest Account if the amount contained therein is at least equal to the aggregate amount of the interest becoming due and payable on all Outstanding Bonds on the Interest Payment Dates in such Bond Year. All moneys in the Interest Account shall be used and withdrawn by the Trustee solely for the purpose of paying the interest on the Bonds as it shall become due and payable (including accrued interest on any Bonds purchased or redeemed prior to maturity).

(b) Principal Account. On or before each March 1, the Trustee shall aside from the Debt Service Fund and deposit in the Principal Account one-half of the aggregate amount of principal coming due on the Outstanding Serial Bonds, if any, on September 1 of that same calendar year; provided, that if the Successor Agency has transferred to the Trustee a different amount based on receipt of the Principal Reserve (as specified by the Successor Agency to the Trustee in writing), then the Trustee shall deposit such different amount into the Principal Account. Then, on or before each Principal Payment Date, the Trustee shall set aside from the Debt Service Fund and deposit in the Principal Account an amount of money which, together with any money already contained in the Principal Account, is equal to the aggregate amount of the principal becoming due and payable on all Outstanding Serial Bonds on such Principal Payment Date. In the event that there shall be insufficient money in the Debt Service Fund to make in full all such principal payments and Sinking Account Installments required to be made pursuant to Section 4.05(c) of this Indenture in such Bond Year, then the money available in the Debt Service Fund shall be applied pro rata to the making of such principal payments and such Sinking Account Installments in the proportion which all such principal payments and Sinking Account Installments bear to each other.

Notwithstanding the foregoing, no deposit need be made into the Principal Account if the amount contained therein is at least equal to the aggregate amount of the principal of all Outstanding Serial Bonds becoming due and payable on the upcoming Principal Payment Date.

All money in the Principal Account shall be used and withdrawn by the Trustee solely for the purpose of paying the principal and redemption premium, if any, of the Serial Bonds as they shall become due and payable.

(c) Sinking Account. On or before each March 1, the Trustee shall set aside from the Debt Service Fund and deposit in the Sinking Account one-half of the Sinking Account Installment, if any, payable on September 1 of that same calendar year; provided, that if the Successor Agency has transferred to the Trustee a different amount based on receipt of the Principal Reserve (as specified by the Successor Agency to the Trustee in writing), then the Trustee shall deposit such different amount into the Sinking Account. Then, on or before each Sinking Account Payment Date, the Trustee shall set aside from the Debt Service Fund and deposit in the Sinking Account an amount of money equal to the Sinking Account Installment, if any, payable on the Sinking Account Payment Date in such Bond Year.

Notwithstanding the foregoing, no deposit need be made into the Sinking Account if the amount contained therein is at least equal to the aggregate amount of all Sinking Account Installments becoming due and payable on the upcoming Principal Payment Date.

All moneys in the Sinking Account shall be used by the Trustee to pay Sinking Account Installments on the Term Bonds.

(d) Reserve Account.

(1) On or before each Interest Payment Date, the Trustee shall set aside from the Debt Service Fund and deposit in the Reserve Account such amount of money (or other Qualified Reserve Account Credit Instrument, as contemplated by the following paragraph) as shall be required to restore the balance in the Reserve Account to an amount equal to the Reserve Requirement for the Bonds then Outstanding. The Trustee shall value the balance in the Reserve Account semi-annually at least 45 days before each Interest Payment Date in accordance with Section 4.06. If at any time the balance in the Reserve Account falls below the Reserve Requirement, the Trustee shall promptly notify the Successor Agency in writing. Upon receipt of such notice from the Trustee, the Successor Agency shall take such action as necessary to include the amount necessary to restore the Reserve Account balance to the Reserve Requirement in its next transfer of moneys from the Special Fund to the Debt Service Fund as soon as permissible under the Dissolution Act. No deposit need be made in the Reserve Account so long as there shall be on deposit therein an amount equal to the Reserve Requirement for the Bonds then Outstanding. So long as the Successor Agency is not in default under this Indenture, any amount in the Reserve Account in excess of the Reserve Requirement shall be transferred to the Debt Service Fund, or upon the Written Request of the Successor Agency, released to the Successor Agency for any lawful purpose. All money in (or available to) the Reserve Account shall be used and withdrawn by the Trustee solely for the purpose of (i) replenishing the Interest Account, the Principal Account or the Sinking Account in such order, in the event of any deficiency at any time in any of such accounts or for the purpose of paying the interest on or principal of the Bonds in the event that no other money in the Special Fund or the Debt Service Fund is lawfully available therefor, or (ii) making the final payments of principal of and interest on the Bonds.

(2) The Reserve Requirement may be satisfied, in whole or in part, by crediting to the Reserve Account one or more Qualified Reserve Account Credit Instruments, which together with the cash, if any, on deposit in the Reserve Account, in the aggregate make funds available in the Reserve Account in an amount equal to the Reserve Requirement. Upon the deposit with the Trustee of such Qualified Reserve Account Credit Instrument, the Trustee shall release moneys then on hand in the Reserve Account to the Successor Agency, to be used for any lawful purpose, in an amount equal to the face amount of the Qualified Reserve Account Credit Instrument.

(e) Surplus. After making the deposits referred to in paragraphs (a) through (d) above in any Bond Year, the Trustee shall transfer any amount remaining on deposit in the Debt Service Fund to the Successor Agency to be used for any lawful purpose.

SECTION 4.06 Investment of Moneys in Funds and Accounts. Upon the Written Request of the Successor Agency received by the Trustee prior to the date of such investment, moneys in the Debt Service Fund, the Interest Account, the Principal Account, the Sinking Account, the Reserve Account, or the Costs of Issuance Fund (and any account therein) shall be invested by the Trustee in Authorized Investments, which shall mature or be withdrawable prior to the date on which such moneys are required to be paid out under this Indenture. In the absence of such instructions the Trustee shall invest in the investments described in clause (x) of the definition of "Authorized Investments" set forth in Section 1.01. Any interest, income or profits from the deposits or investments of all funds (except the Costs of Issuance Fund) and accounts maintained by the Trustee under this Indenture shall be deposited in the Debt Service Fund.

For purposes of determining the amount on deposit in any fund or account held by the Trustee under this Indenture, all Authorized Investments credited to such fund or account shall be valued at the Fair Market Value no less frequently than every six months. Except as otherwise provided in this Section, Authorized Investments representing an investment of moneys attributable to any fund or account and all investment profits or losses thereon shall be deemed at all times to be a part of said fund or account. Absent negligence or willful misconduct by the Trustee, the Trustee shall not be responsible or liable for any loss suffered in connection with any investment of funds made by it in accordance with this Section.

The Successor Agency acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the Successor Agency the right to receive brokerage confirmations of security transactions as they occur, the Successor Agency will not receive such confirmations to the extent permitted by law. The Trustee will furnish the Successor Agency periodic cash transaction statements which include detail for all investment transactions made by the Trustee under this Indenture. The Trustee may make any investments under this Indenture through its own bond or investment department or trust investment department, or those of its parent or any affiliate as principal or agent. The Trustee or any of its affiliates may act as a sponsor, advisor or manager in connection with any investments made by the Trustee under this Indenture. For investment purposes, the Trustee may commingle the funds and accounts established under this Indenture and shall account for them separately.

Amounts deposited in the Special Fund and another fund established by this Indenture and held by the Successor Agency may be invested in Authorized Investments or any other investments in which the Successor Agency may lawfully invest its funds.

ARTICLE V COVENANTS OF SUCCESSOR AGENCY

SECTION 5.01 Punctual Payment. The Successor Agency shall punctually pay the interest on and principal of and redemption premiums, if any, to become due with respect to the Bonds, but only from Tax Revenues, in strict conformity with the terms of the Bonds and of the Indenture and shall faithfully satisfy, observe and perform all conditions, covenants and requirements of the Bonds and of the Indenture.

SECTION 5.02 No Priority; No Additional Parity Bonds Except for Refunding Bonds; Other Obligations. The Successor Agency covenants that it will not incur any Obligations payable, either as to principal or interest, from the Tax Revenues, that will have any lien upon the Tax Revenues on a parity with or superior to the lien under this Indenture for the Bonds; except that the Successor Agency may: (a) incur Parity Obligations to refund then outstanding Bonds (or Parity Obligations issued after the Closing Date pursuant to this Section 5.02), if (i) the aggregate debt service on such proposed Parity Obligations will be lower than the aggregate debt service on the Bonds (or Parity Obligations) being refunded; (ii) the scheduled final maturity date of such proposed Parity Obligations will not be later than the scheduled final maturity date of the Bonds or other Parity Obligations being refunded; and (iii) the issuance of such Parity Obligations shall be in compliance with HSC Section 34177.5 (but only to the extent that such provision of the Dissolution Act is applicable and then in effect); or (b) incur Obligations which will have a lien on Tax Revenues junior to the Bonds; or (c) incur Obligations that will be payable in whole or in part from sources other than the Tax Revenues pledged under this Indenture.

SECTION 5.03 Protection of Security and Rights of Owners. The Successor Agency shall preserve and protect the security of the Bonds and the rights of the Owners, and shall warrant and defend their rights against all claims and demands of all persons. From and after the sale and delivery of any Bonds by the Successor Agency, such Bonds shall be incontestable by the Successor Agency.

SECTION 5.04 Extension or Funding of Claims for Interest. In order to prevent any claims for interest after maturity, the Successor Agency shall not, directly or indirectly, extend or consent to the extension of the time for the payment of any claim for interest on any Bonds and shall not, directly or indirectly, be a party to or approve any such arrangements by purchasing or funding said claims for interest or in any other manner. In case any such claim for interest shall be extended or funded, whether or not with the consent of the Successor Agency, such claim for interest so extended or funded shall not be entitled, in case of default under this Indenture, to the benefits of the Indenture, except subject to the prior payment in full of the principal of all of the Bonds then Outstanding and of all claims for interest which shall not have been so extended or funded.

SECTION 5.05 Records and Accounts; Continuing Disclosure.

(a) The Successor Agency covenants that it will at all times keep, or cause to be kept, proper and current books and accounts in which complete and accurate entries are made of the financial transactions and records of the Successor Agency. Within nine months after the close of each Fiscal Year an Independent Certified Public Accountant shall prepare an audit of the financial transactions and records of the Successor Agency for such Fiscal Year. To the extent permitted by law, such audit may be included within the annual audited financial statements of the City. Upon written request, the Successor Agency shall furnish a copy of the audited financial report to any Owner. The Trustee shall have no duty to review such audits.

(b) The Trustee shall provide such statements with regard to any funds held by the Trustee under this Indenture to the Successor Agency as the Successor Agency may reasonably require to comply with the terms of this Section.

(c) The Successor Agency shall comply with the Continuing Disclosure Certificate. Notwithstanding any other provision of this Indenture, failure of the Successor Agency to comply with a Continuing Disclosure Certificate shall not be considered an Event of Default; provided, that any Owner or beneficial owner of the applicable Bonds may take such actions as may be necessary or appropriate, including seeking mandate or specific performance by court order, to cause the Successor Agency to comply with its obligation under such Continuing Disclosure Certificate.

SECTION 5.06 Payment of Claims, Taxes and Other Charges. The Successor Agency covenants that it will from time to time pay and discharge, or cause to be paid and discharged, all payments in lieu of taxes, service charges, assessments or other governmental charges which may lawfully be imposed upon the Successor Agency or any of the properties then owned by it in the Project Area, or upon the revenues and income therefrom, and will pay all lawful claims for labor, materials and supplies which if unpaid might become a lien or charge upon any of the properties, revenues or income or which might impair the security of the Bonds or the use of Tax Revenues or other legally available funds to pay the principal of and interest on the Bonds, all to the end that the priority and security of the Bonds shall be preserved; provided, however, that nothing in this covenant shall require the Successor Agency to make any such payment so long as the Successor Agency in good faith shall contest the validity of the payment.

SECTION 5.07 Tax Covenants.

(a) The Successor Agency shall not take any action, or fail to take any action, if any such action or failure to take action would adversely affect the Tax-Exempt status of interest on the Bonds under Section 103(a) of the Code or cause interest on the Tax-Exempt Bonds to be an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations under Section 55 of the Code.

(b) In furtherance of the foregoing tax covenant, the Successor Agency shall comply with the provisions of the Tax Certificate, which is incorporated in this Indenture as fully set forth in this Indenture. These covenants shall survive payment in full or defeasance of the Bonds.

SECTION 5.08 Further Assurances. The Successor Agency shall adopt, make, execute and deliver any and all such further indentures, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of the Indenture, and for the better assuring and confirming unto the Owners of the Bonds of the rights and benefits provided in the Indenture.

**ARTICLE VI
TRUSTEE**

SECTION 6.01 Trustee.

(a) [The Bank of New York Mellon Trust Company, N.A.], having a corporate trust office in [San Francisco][Los Angeles], California, is hereby appointed Trustee

under this Indenture for the purpose of receiving all money which the Successor Agency is required to deposit with the Trustee under this Indenture and to allocate, use and apply the same as provided in the Indenture.

(b) The Successor Agency may at any time, but only prior to an Event of Default or after the curing or waiver of an Event of Default and only upon 30 days written notice, at its sole discretion remove the Trustee initially appointed, and any successor thereto, and may appoint a successor or successors thereto; provided that any such successor shall be a bank, national banking association, banking institution (state or federal) or trust company with a corporate trust office in California, having a combined capital, exclusive of borrowed capital, and surplus (or whose parent holding company has a combined capital, exclusive of borrowed capital, and surplus) of at least \$75,000,000, and subject to supervision or examination by federal or state authority. If such bank, banking institution or trust company publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purposes of this Section the combined capital and surplus of such bank, national banking association, banking institution or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

(c) The Trustee may at any time resign by giving written notice to the Successor Agency. Any successor trustee appointed under this Indenture shall give notice of such appointment to the Owners, which notice shall be mailed to the Owners at their addresses appearing in the registration books in the office of the Trustee. Upon receiving such notice of resignation, the Successor Agency shall promptly appoint a successor Trustee by an instrument in writing. Any resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon acceptance of appointment by the successor Trustee. If, within 30 days after notice of the removal or resignation of the Trustee no successor Trustee shall have been appointed and shall have accepted such appointment, the removed or resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee, which court may thereupon, after such notice, if any, as it may deem proper and prescribe and as may be required by law, appoint a successor Trustee having the qualifications required hereby.

(d) The Trustee is hereby authorized to pay or redeem the Bonds when duly presented for payment at maturity, or on redemption prior to maturity. The Trustee shall cancel all Bonds upon payment thereof or upon the surrender thereof by the Successor Agency and shall upon Written Request of the Successor Agency deliver a certificate of destruction to the Successor Agency. The Trustee shall keep accurate records of all Bonds paid and discharged and destroyed by it.

(e) The Successor Agency shall from time to time, subject to any agreement between the Successor Agency and the Trustee then in force, pay to the Trustee compensation for its services rendered by it in the execution of the trusts hereby created and in the exercise and performance of any of the powers and duties under this Indenture of the Trustee, which compensation shall not be limited by any provision of law with respect to the compensation of a trustee of an express trust, and the Successor Agency shall reimburse the Trustee for all its advances (with interest on such advances at the maximum rate allowed by law) and expenditures, including but not limited to advances to and fees and expenses of independent accountants,

counsel (including in-house counsel to the extent not duplicative of other counsel's work) and engineers or other experts employed by it, and reasonably required, in the exercise and performance of its powers and duties under this Indenture.

SECTION 6.02 Indemnification. The Successor Agency shall indemnify and save the Trustee, its officers, employees, directors and agents harmless from and against all claims, losses, costs, expenses, liability and damages, including legal fees and expenses, arising out of (i) the exercise and performance by the Trustee of any of its powers and duties under this Indenture, or (ii) the offering and sale of the Bonds or the distribution of any official statement or other offering circular utilized in connection with the sale of the Bonds; provided, that the Successor Agency shall not be liable for actions caused by the Trustees' own negligence or willful misconduct. The Trustee's rights to indemnification and protection from liability under this Indenture and its rights to payment of its fees and expenses shall survive its resignation or removal and final payment or defeasance of the Bonds. The Trustee shall not be liable for the sufficiency or collection of any Tax Revenues or other moneys required to be paid to it under the Indenture (except as provided in this Indenture), or its right to receive moneys pursuant to the Indenture.

SECTION 6.03 Limitation on Liability.

(a) The recitals of facts, covenants and agreements contained in this Indenture, in the Bonds and in any instruments of further assurance shall be taken as statements, covenants and agreements of the Successor Agency, and the Trustee does not assume any responsibility for the correctness of the same, or make any representation as to the validity or sufficiency of the Indenture or of the Bonds, the adequacy of any security afforded thereunder, or the correctness or completeness of any information contained in any offering material distributed in connection with the sale of the Bonds, or incur any responsibility in respect of any of the foregoing, other than in connection with the duties or obligations in this Indenture or in the Bonds assigned to or imposed upon it. The Trustee shall not be liable in connection with the performance of its duties under this Indenture, except for its own negligence or willful misconduct. The Trustee may become an Owner of Bonds with the same rights it would have if it were not Trustee and, to the extent permitted by law, may act as depositary for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bond Owners, whether or not such committee shall represent the Owners of a majority in principal amount of the Bonds then Outstanding.

(b) The Trustee shall not be responsible for the validity, genuineness or performance of any leases, contracts or other instruments at any time conveyed, mortgaged, hypothecated, pledged, assigned or transferred to it under this Indenture, or with respect to the obligation of the Successor Agency to preserve and keep unimpaired the rights of the Successor Agency under or concerning any such leases, contracts or other instruments. The Trustee makes no representations and shall have no responsibility for any official statement or other offering material prepared or distributed with respect to the Bonds. In accepting the trust hereby created, the Trustee acts solely as Trustee for the Owners and not in its individual capacity and all persons, including without limitation the Owners, the Successor Agency and the City, having any claim against the Trustee arising from this Indenture not attributable to the Trustee's negligence

or willful misconduct shall look only to the funds and accounts held by the Trustee under this Indenture for payment except as otherwise specifically provided in this Indenture.

(c) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any Owner pursuant to this Indenture unless the Trustee shall have received reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction.

(d) Except during the continuance of an Event of Default, the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee.

(e) In case an Event of Default has occurred and is continuing, the Trustee shall exercise such rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(f) In the absence of negligence or willful misconduct on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture.

(g) The Trustee is not accountable for the use by the Successor Agency of funds which the Trustee releases to the Successor Agency or which the Successor Agency otherwise receives, or to verify compliance by the Successor Agency, or for the adequacy or validity of any collateral or security interest securing this Indenture or the Bonds. The Trustee has no obligation to incur individual financial or other liability or risk in performing any duty or in exercising any right under this Indenture.

(h) The Trustee shall not be deemed to have knowledge of any Event of Default other than a payment default under this Indenture unless the Trustee shall be specifically notified in writing of such default by the Successor Agency or by the Owners of at least 25 percent in aggregate principal amount of Bonds then Outstanding and all notices or other instruments required by this Indenture to be delivered to the Trustee must, in order to be effective, be delivered at the Trust Office, and in the absence of such notice so delivered, the Trustee may conclusively assume there is no Event of Default except as aforesaid. The Trustee shall not be bound to ascertain or inquire as to the performance or observance by any other party of any of the terms conditions, covenants or agreements in this Indenture or in any of the documents executed in connection with the Bonds. Any action taken or omitted to be taken by the Trustee in good faith pursuant to this Indenture upon the request of authority or consent of any person who at the time of making such request or giving such authority or consent is the Owner of any Bond, shall be conclusive and binding upon all future Owners of the same Bond executed and delivered in exchange therefor or in place thereof.

(i) The Trustee shall not be required to give any bond or surety in respect of the execution of the said trusts and powers or otherwise in respect of the premises.

(j) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Owners of a majority in aggregate principal amount of the Outstanding Bonds relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture.

(k) The duties and obligations of the Trustee shall be determined solely by the express provisions of this Indenture. The Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture, and no implied covenants or obligations (fiduciary or otherwise) shall be read into this Indenture against the Trustee. The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty and it shall not be answerable for other than its negligence or willful misconduct. The immunities and exceptions from liability of the Trustee shall extend to its officers, directors, employees and agents and such immunities and exceptions and its right to payment of its fees and expenses shall survive its resignation or removal and the final payment and defeasance of the Bonds. Under no circumstances shall the Trustee be liable in its individual capacity for the obligations evidenced by the Bonds. The Trustee, in its individual or any other capacity, may become the Owner of any Bonds or other obligations of any party hereto with the same rights which it would have if not the Trustee and may act as a depository for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of owners of Bonds, whether or not such committee shall represent the Owners of the majority in aggregate principal amount of the Bonds then Outstanding. At any and all reasonable times, the Trustee, and its agents shall have the right (but not any duty) to inspect the books, papers and records of the Successor Agency and the City pertaining to the receipt of Tax Revenues and the Bonds, and to take such memoranda therefrom and with regard thereto and make photocopies thereof as may be desired. Before taking or refraining from any action under this Indenture at the request or direction of the Owners, the Trustee may require that an indemnity bond satisfactory to the Trustee be furnished to it and be in full force and effect.

(l) The Trustee shall not be considered in breach of or in default with respect to any obligations created under this Indenture, in the event of an enforced delay in the performance of such obligations due to unforeseeable causes beyond its control and without its fault or negligence, including, but not limited to, acts of God, or of the public enemy, acts of a government, acts of the other party hereto, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, earthquakes, explosion, mob violence, riot, inability to procure or general sabotage or rationing of labor, equipment, facilities, sources of energy, material or supplies in the open market, litigation or arbitration involving a party or others relating to governmental action or inaction pertaining to the Project Area, malicious mischief, condemnation, and unusually severe weather or delays of suppliers or subcontractors due to such causes or any similar event and/or occurrences beyond the control of the Trustee; provided, that in the event of any such enforced delay, the Trustee shall notify the Successor Agency in writing within five Business Days after (i) the occurrence of the event giving rise to such delay, (ii) the

Trustee's actual knowledge of the impending enforced delay, or (iii) the Trustee's knowledge of sufficient facts under which a reasonable person would conclude the enforced delay will occur.

SECTION 6.04 Reliance by Trustee.

(a) The Trustee shall be protected in acting upon any notice, indenture, request, consent, order, certificate, report, bond, opinion or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. The Trustee may consult with counsel, who may be counsel to the Successor Agency, with regard to legal questions.

(b) The Trustee shall not be bound to recognize any person as the Owner of a Bond unless and until such Bond is submitted for inspection, if required, and such person is the registered owner of such Bond as shown on the registration books.

(c) Whenever in the administration of its duties under the Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under this Indenture, such matter may, in the absence of negligence or willful misconduct on the part of the Trustee, be deemed to be conclusively proved and established by a Certificate of the Successor Agency (unless other evidence in respect thereof is specifically prescribed in this Indenture) and such certificate shall be full warrant to the Trustee for any action taken or suffered under the provisions of the Indenture upon the faith thereof, but in its discretion the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

SECTION 6.05 Merger or Consolidation. Any company into which the Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided that such company shall meet the requirements set forth in Section 6.01, shall be the successor to the Trustee and vested with all of the title to the trust estate and all of the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any paper or further act, anything in this Indenture to the contrary notwithstanding.

SECTION 6.06 Acceptance of Instructions by Electronic Transmission. The Trustee shall have the right to accept and act upon instructions, including funds transfer instructions ("Instructions") given pursuant to this Indenture and delivered using Electronic Means (being the following communications methods: e-mail, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys issued by the Trustee, or another method or system specified by the Trustee as available for use in connection with its services hereunder); provided, however, that the Successor Agency shall provide to the Trustee an incumbency certificate listing officers with the authority to provide such Instructions and containing specimen signatures of such officers, which incumbency certificate shall be amended by the Successor Agency, whenever a person is to be added or deleted from the listing. If the Successor Agency elects to give the Trustee Instructions using Electronic Means and the Trustee elects to act upon such Instructions, the Trustee's reasonable understanding of such Instructions shall be deemed controlling. The Successor Agency

understands and agrees that the Trustee cannot determine the identity of the actual sender of such Instructions and that the Trustee shall conclusively presume that directions that purport to have been sent by an authorized officer listed on the incumbency certificate provided to the Trustee have been sent by such authorized officer. The Successor Agency shall be responsible for ensuring that only authorized officers transmit such Instructions to the Trustee and that Successor Agency and all authorized officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Successor Agency.

The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reasonable reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. Subject to this Section 6.06, the Successor Agency agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that the A Successor Agency has been informed of the protections and risks associated with the various methods of transmitting Instructions to the Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Successor Agency; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iii) to notify the Trustee immediately upon learning of any compromise or unauthorized use of the security procedures.

In the event of an ambiguity or a contradiction in such Instructions as determined by the Trustee in its reasonable discretion, the Trustee shall notify the Authority and request clarification from the Successor Agency, and the Trustee shall not be required to act on such ambiguous or contradictory Instructions pending the Successor Agency's clarification.

The Trustee shall not be liable under this Section 6.13 except for its negligence or willful misconduct.

ARTICLE VII AMENDMENT OF INDENTURE

SECTION 7.01 Amendment by Consent of Owners. The Indenture and the rights and obligations of the Successor Agency and of the Owners may be amended at any time by a Supplemental Indenture which shall become binding when the written consents of the Owners of at least a majority in aggregate principal amount of the affected Bonds then Outstanding, exclusive of Bonds disqualified as provided in Section 7.02, are filed with the Trustee. No such amendment shall: (1) extend the maturity of or reduce the interest rate on, or otherwise alter or impair the obligation of the Successor Agency to pay the interest or principal or redemption premium, if any, at the time and place and at the rate and in the currency provided in this Indenture, of any Bond, without the express written consent of the Owner of such Bond, or (2) permit the creation by the Successor Agency of any mortgage, pledge or lien upon the Tax

Revenues superior to or on a parity with the pledge and lien created in the Indenture for the benefit of the Bonds, except as provided in Section 5.02, or (3) reduce the percentage of Bonds required for the written consent to any such amendment, or (4) modify the rights or obligations of the Trustee without its prior written assent thereto.

The Indenture and the rights and obligations of the Successor Agency and of the Owners may also be amended at any time by a Supplemental Indenture which shall become binding upon execution, without the consent of any Owners, but [subject to Section 10.02 and] only to the extent permitted by law, for any one or more of the following purposes:

(a) To add to the covenants and agreements of the Successor Agency contained in the Indenture, other covenants and agreements thereafter to be observed, or to surrender any right or power reserved to or conferred upon the Successor Agency under this Indenture;

(b) To make such provisions for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective provision contained in the Indenture, or in regard to questions arising under the Indenture, as the Successor Agency may deem necessary or desirable and not inconsistent with the Indenture, and which shall not materially adversely affect the interest of the Owners;

(c) To modify, amend or supplement this Indenture in such manner as to permit the qualification of this Indenture under the Trust Indenture Act of 1939, as amended, or any similar federal statute hereafter in effect, and to add such other terms, conditions and provisions as may be permitted by said act or similar federal statute, and which shall not materially adversely affect the interests of the Owners of the Bonds;

(d) To maintain the exclusion of interest on the Bonds from gross income for federal income tax purposes (except with respect to the Bonds which the Successor Agency certifies to the Trustee are not intended to qualify for such exclusion);

(e) To the extent necessary to obtain a bond insurance policy, to obtain a rating on the Bonds or in connection with satisfying all or a portion of the Reserve Requirement by crediting a letter of credit or other forms of Qualified Reserve Account Credit Instrument to the Reserve Account; or

(f) For any other purpose that does not materially adversely affect the interests of the Owners.

SECTION 7.02 Disqualified Bonds. Bonds owned or held by or for the account of the Successor Agency or the City shall not be deemed Outstanding for the purpose of any consent or other action in this Indenture provided for, and shall not be entitled to consent to, or take any other action in this Indenture provided for; provided, however, that for purposes of determining whether the Trustee shall be protected in relying on any such demand, request, direction, consent or waiver, only Bonds which the Trustee knows to be so owned or held will be disregarded.

SECTION 7.03 Endorsement or Replacement of Bonds After Amendment. After the effective date of any action taken as provided above in this Indenture, the Successor Agency may

determine that the Bonds may bear a notation, by endorsement in form approved by the Successor Agency, as to such action, and in that case upon demand of the Owner of any Bond Outstanding at such effective date and presentation of such Owner's Bond for such purpose at the office of the Trustee or at such additional offices as the Trustee may select and designate for that purpose, a suitable notation as to such action shall be made on such Bond. If the Successor Agency shall so determine, new Bonds so modified as, in the opinion of the Successor Agency, shall be necessary to conform to such action shall be prepared and executed, and in that case upon demand of the Owner of any Bond Outstanding at such effective date such new Bonds shall be exchanged at the office of the Trustee or at such additional offices as the Trustee may select and designate for that purpose, without cost to each Owner, for Bonds then Outstanding, upon surrender of such Outstanding Bonds.

SECTION 7.04 Opinion of Counsel. The Trustee may conclusively accept an opinion of nationally recognized bond counsel to the Successor Agency that an amendment of the Indenture is in conformity with the provisions of this Article.

ARTICLE VIII EVENTS OF DEFAULT AND REMEDIES OF OWNERS

Notwithstanding anything to the contrary in this Article VIII, so long as the Bond Insurance Policy remains in effect and the Bond Insurer has not defaulted with respect to its obligations under the Bond Insurance Policy, all provisions of this Article VIII shall be subject to, and qualified by, the provisions set forth in Article X hereof, including, without limitation, the Bond Insurer's right to consent to acceleration of the Bonds, and the Bond Insurer's right to consent to or direct certain Trustee, Successor Agency or Owner actions.

SECTION 8.01 Events of Default and Acceleration of Maturities. If one or more of the following events (herein called "Events of Default") shall happen, that is to say:

(a) If default shall be made in the due and punctual payment of the principal (including any Sinking Account Installment) of or redemption premium, if any, on any Bond when and as the same shall become due and payable, whether at maturity as therein expressed, by declaration or otherwise;

(b) If default shall be made in the due and punctual payment of the interest on any Bond when and as the same shall become due and payable;

(c) If default shall be made by the Successor Agency in the observance of any of its agreements, conditions or covenants contained in the Indenture or in the Bonds, and such default shall have continued for a period of 30 days after the Successor Agency shall have been given notice in writing of such default by the Trustee; provided, however, that such default shall not constitute an Event of Default under this Indenture if the Successor Agency shall commence to cure such default within said 30 day period and thereafter diligently and in good faith proceed to cure such default within said 30-day period or such longer period as the Trustee or the Owners of a majority in aggregate principal amount of the affected Bonds then Outstanding may consent to in writing; or

(d) If the Successor Agency shall file a petition or answer seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America, or if a court of competent jurisdiction shall approve a petition, filed with or without the consent of the Successor Agency, seeking reorganization under the federal bankruptcy laws or any other applicable law of the United States of America, or if, under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the Successor Agency or of the whole or any substantial part of the Successor Agency's property;

Then, and in each and every such case during the continuance of such Event of Default, the Trustee may, and upon the written request of the Owners of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding, shall, by notice in writing to the Successor Agency, declare the principal of all of the Bonds then Outstanding, and the interest accrued thereon, to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable, anything contained in the Indenture or in the Bonds to the contrary notwithstanding.

This provision, however, is subject to the condition that if, at any time after the principal of the Bonds shall have been so declared due and payable, and before any judgment or decree for the payment of the money due shall have been obtained or entered, the Successor Agency shall deposit with the Trustee a sum sufficient to pay all principal on the Bonds matured prior to such declaration and all matured installments of interest (if any) upon all the Bonds, with interest at the rate of interest which would have been paid on such overdue principal on such overdue installments of principal, and the fees and expenses of the Trustee, including attorneys fees, and any and all other defaults known to the Trustee (other than in the payment of principal of and interest on the Bonds due and payable solely by reason of such declaration) shall have been made good or cured to the satisfaction of the Trustee or provision deemed by the Trustee to be adequate shall have been made for the Bonds, then, and in every such case, the Owners of at least a majority in aggregate principal amount of the Bonds then Outstanding, by written notice to the Successor Agency and to the Trustee, may, on behalf of the Owners of all of the Bonds, rescind and annul such declaration and its consequences. No such rescission and annulment shall extend to or shall affect any subsequent default, or shall impair or exhaust any right or power consequent on the Bonds.

SECTION 8.02 Application of Funds upon Acceleration. All money in the funds and accounts provided for in the Indenture (other than any moneys for payment of the Rebate Amount) upon the date of the declaration of acceleration by the Trustee as provided in Section 8.01, and all Tax Revenues in the Special Fund and thereafter received by the Successor Agency (which shall be promptly transmitted to the Trustee) shall be applied by the Trustee in the following order:

First, to the payment of the costs and expenses of the Trustee, if any, in carrying out the provisions of this article, including reasonable compensation to its agents and counsel, to the payment of any other amounts then due and payable to the Trustee, including any predecessor trustee, with respect to or in connection with this Indenture, whether as compensation, reimbursement, indemnification or otherwise, and, thereafter, to the payment of the costs and

expenses of the Owners in providing for the declaration of such Event of Default, including reasonable compensation to their agents and counsel;

Second, to the payment of the whole amount then owing and unpaid upon the Bonds for interest and principal, with interest on the overdue principal to the extent permitted by law at the net effective interest rate then borne by the Outstanding Bonds; provided, however, that in the event the amount then so held by the Trustee shall be insufficient to make all the payments required by this clause, then such money shall be applied to the payment of the principal of and interest on all Outstanding Bond then due and payable ratably (based on the principal amount of Bonds owned by each Owner), without any discrimination or preferences.

SECTION 8.03 Other Remedies of Owners. Any Owner shall have the right, subject to the provisions of Section 8.08, for the equal benefit and protection of all Owners similarly situated:

(a) By mandamus or other suit or proceeding at law or in equity to enforce such Owner's rights against the Successor Agency and any of the members, officers and employees of the Successor Agency, and to compel the Successor Agency or any such members, officers or employees to perform and carry out their duties under the Law and their agreements with the Owners as provided in the Indenture;

(b) By suit in equity to enjoin any acts or things which are unlawful or violate the rights of the Owners; or

(c) Upon the happening of an Event of Default (as defined in Section 8.01), by a suit in equity to require the Successor Agency and its members, officers and employees to account as the trustee of an express trust.

SECTION 8.04 Non-Waiver. A waiver of any default or breach of duty or contract by any Owner shall not affect any subsequent default or breach of duty or contract, or impair any rights or remedies on any such subsequent default or breach. No delay or omission by any Owner or the Trustee to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence in such default, and every power and remedy conferred upon the Owners by the Law or by this Article may be enforced and exercised from time to time and as often as shall be deemed expedient by the Owners.

If any suit, action or proceeding to enforce any right or exercise any remedy is abandoned or determined adversely to the Owners, the Trustee, the Successor Agency and the Owners shall be restored to their former positions, rights and remedies as if such suit, action or proceeding had not been brought or taken.

SECTION 8.05 Actions by Trustee as Attorney-in-Fact. Any suit, action or proceeding which any Owner shall have the right to bring to enforce any right or remedy under this Indenture may be brought by the Trustee for the equal benefit and protection of all Owners, and the Trustee is hereby appointed (and the successive respective Owners of the Bonds issued under this Indenture, by taking and holding the same, shall be conclusively deemed so to have appointed it) the true and lawful attorney in fact of the Owners for the purpose of bringing any

such suit, action or proceeding and to do and perform any and all acts and things for and on behalf of the Owners as a class or classes, as may be necessary or advisable in the opinion of the Trustee as such attorney in fact; provided, however, the Trustee shall have no duty or obligation to enforce any right or remedy unless it has been indemnified by the Owners from any liability or expense including without limitation fees and expenses of its attorneys.

SECTION 8.06 Remedies Not Exclusive. No remedy conferred upon or reserved to the Owners in this Indenture is intended to be exclusive of any other remedy. Every such remedy shall be cumulative and shall be in addition to every other remedy given under this Indenture or now or hereafter existing, at law or in equity or by statute or otherwise, and may be exercised without exhausting and without regard to any other remedy conferred by law.

SECTION 8.07 Owners' Direction of Proceedings. Anything in this Indenture to the contrary notwithstanding, the Owners of a majority in aggregate principal amount of the Bonds then Outstanding shall have the right, by an instrument or concurrent instruments in writing executed and delivered to the Trustee and upon furnishing the Trustee with indemnification satisfactory to it, to direct the method of conducting all remedial proceedings taken by the Trustee under this Indenture, provided that such direction shall not be otherwise than in accordance with law and the provisions of this Indenture, that the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction, and that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unjustly prejudicial to Owners not parties to such direction.

SECTION 8.08 Limitation on Owners' Right to Sue.

(a) No Owner of any Bond shall have the right to institute any suit, action or proceeding at law or in equity, for the protection or enforcement of any right or remedy under this Indenture, the Law or any other applicable law with respect to such Bond, unless (1) such Owner shall have given to the Trustee written notice of the occurrence of an Event of Default; (2) the Owners of not less than 25 percent in aggregate principal amount of the Bonds then Outstanding shall have made written request upon the Trustee to exercise the powers hereinbefore granted or to institute such suit, action or proceeding in its own name; (3) such Owner or said Owners shall have tendered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request; (4) the Trustee shall have refused or omitted to comply with such request for a period of 60 days after such written request shall have been received by, and said tender of indemnity shall have been made to, the Trustee; and (5) the Trustee shall not have received contrary directions from the Owners of a majority in aggregate principal amount of the Bonds then Outstanding.

(b) Such notification, request, tender or indemnity and refusal or omission are hereby declared, in every case, to be conditions precedent to the exercise by any Owner of any remedy under this Indenture or under law. It is understood and intended that no one or more Owners shall have any right in any manner whatever by such Owner's or Owners' action to affect, disturb or prejudice the security of this Indenture or the rights of any other Owners, or to enforce any right under this Indenture, the Law or other applicable law with respect to the Bonds, except in the manner provided in this Indenture. All proceedings at law or in equity to enforce any such right shall be instituted, had and maintained in the manner provided in this Indenture

and for the benefit and protection of all Owners of the Outstanding Bonds, subject to the provisions of this Indenture.

(c) Nothing in this Section or in any other provision of the Indenture, or in the Bonds, shall affect or impair the obligation of the Successor Agency, which is absolute and unconditional, to pay the interest on and principal of the Bonds to the respective Owners of the Bonds at the respective dates of maturity and Sinking Account Payment Dates, as provided in this Indenture, out of the Tax Revenues pledged for such payment, or affect or impair the right of action, which is also absolute and unconditional, of such Owners to institute suit to enforce such payment by virtue of the contract embodied in the Bonds and in the Indenture.

ARTICLE IX DEFEASANCE

SECTION 9.01 Discharge of Indebtedness. If the Successor Agency shall pay or cause to be paid, or there shall otherwise be paid, to the Owners of all Outstanding Bonds the interest on and the principal of such Bonds, when due, at the times and in the manner stipulated in such Bonds and in the Indenture, then the Owners of such Bonds shall cease to be entitled to the pledge of Tax Revenues, and all covenants, agreements and other obligations of the Successor Agency to the Owners of such Bonds under the Indenture shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Trustee shall execute at the Written Request of the Successor Agency, and at the expense of the Successor Agency, and deliver to the Successor Agency all such instruments as may be desirable to evidence such discharge and satisfaction, and the Trustee shall, after payment of amounts due the Trustee under this Indenture, pay over or deliver to the Successor Agency all money or securities held by the Trustee pursuant to the Indenture which are not required for the payment of the interest due on and the principal of and premium, if any, due on such Bonds other than the moneys, if any, for the payment of the applicable Rebate Amount.

Bonds for the payment of which money shall have been set aside (through deposit by the Successor Agency or otherwise) to be held in trust by the Trustee for such payment at the maturity or redemption date of such Bonds shall be deemed, as of the date of such setting aside, to have been paid within the meaning and with the effect expressed in the first paragraph of this Section.

Any Outstanding Bonds shall prior to the maturity date of such Bonds be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this Section if:

(1) There shall have been deposited with the Trustee (or another fiduciary or escrow agent) either money in an amount which shall be sufficient, or Federal Securities (including any Federal Securities issued or held in Book-Entry form on the books of the Department of the Treasury of the United States of America), the principal of and the interest on which when paid will provide money that, together with the money, if any, deposited with the Trustee (or fiduciary or escrow agent) at the same time, shall be sufficient to pay when due the interest due and to become due on such Bonds on and prior to the maturity date of such Bonds or such earlier redemption date as shall be irrevocably established, and the principal of and

redemption premium, if any, on such Bonds (such interest, principal and redemption premium, if any, being referred to below as the "Refunding Requirement"); provided that, unless such deposit consists of an amount in cash, which in and of itself, is sufficient to pay the Refunding Requirement in full, the sufficiency of the Federal Securities and other moneys so deposited with the Trustee (or fiduciary or escrow agent) shall be appropriately verified by an Independent Certified Public Accountant in a verification report.

(2) The Successor Agency shall have given the Trustee in form satisfactory to the Trustee irrevocable instructions to mail, as soon as practicable, a notice to the Owners of such Bonds that the deposit required by (1) above has been made with the Trustee and that such Bonds are deemed to have been paid in accordance with this Section and stating the maturity date or earlier redemption date upon which money is to be available for the payment of the principal of such Bonds.

Neither Federal Securities nor money deposited with the Trustee pursuant to this Section nor interest or principal payments on any such Federal Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the interest on and principal of such Bonds; provided that any cash received from such interest or principal payments on such Federal Securities deposited with the Trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested at the written direction of the Successor Agency in Federal Securities maturing at times and in amounts sufficient to pay when due the interest on and principal of such Bonds on and prior to such maturity date thereof, and interest earned from such reinvestments shall be maintained in the related escrow fund until such time as the Refunding Requirements have been paid in full (but solely to the extent that does not affect the Tax-Exempt status of Bonds). For the purposes of this Section, Federal Securities shall mean and include only such securities as are not subject to redemption prior to their maturity.

SECTION 9.02 Unclaimed Moneys. Anything in the Indenture to the contrary notwithstanding, any money held by the Trustee in trust for the payment and discharge of any of the Bonds or interest on such Bonds which remain unclaimed for two years after the date when such Bonds or interest on such Bonds have become due and payable, if such money was held by the Trustee at such date, or for two years after the date of deposit of such money if deposited with the Trustee after the said date when such Bonds or interest on such Bonds become due and payable, shall be repaid by the Trustee to the Successor Agency, as its absolute property and free from trust, and the Trustee shall thereupon be released and discharged with respect thereto and the Owners shall look only to the Successor Agency for the payment of such Bonds; provided, however, that before being required to make any such payment to the Successor Agency, the Trustee shall, at the Written Request of the Successor Agency and at the expense of the Successor Agency, cause to be mailed to the registered Owners of such Bonds at their addresses as they appear on the registration books of the Trustee a notice that said money remains unclaimed and that, after a date named in said notice, which date shall not be less than 30 days after the date of the mailing of such notice, the balance of such money then unclaimed will be returned to the Successor Agency. Any money held by the Trustee in trust for the payment and discharge of any Bonds shall not bear interest or be otherwise invested from and after such maturity or redemption date.

**ARTICLE X
BOND INSURANCE**

SECTION 10.01 Payment under Bond Insurance Policy. So long as the Bond Insurance Policy remains in full force and effect, the following provisions shall apply with respect to payments under the Bond Insurance Policy:

(a) *[to come, if applicable]*

SECTION 10.02 Additional Rights of Bond Insurer. So long as the Bond Insurance Policy shall be in full force and effect and the Bond Insurer has not defaulted with respect to its payment obligations thereunder, the following provisions shall apply:

(a) *[to come, if applicable]*

SECTION 10.03 Suspension of Rights of Bond Insurer. All rights of the Bond Insurer to direct or consent to actions of the Successor Agency, the Trustee or the Owners under this Indenture shall be (a) suspended during any period in which such Bond Insurer is then in default in its payment obligations under the Bond Insurance Policy (except to the extent of amounts previously paid by the Bond Insurer and due and owing to the Bond Insurer) and (b) of no force or effect in the event the Bond Insurance Policy is no longer in effect or the Bond Insurer asserts that the Bond Insurance Policy is not in effect.

**ARTICLE XI
MISCELLANEOUS**

SECTION 11.01 Liability of Successor Agency Limited to Tax Revenues. Notwithstanding anything contained in the Indenture, the Successor Agency shall not be required to advance any money derived from any source of income other than the Tax Revenues for the payment of the interest on or the principal of the Bonds. The Successor Agency may, however, advance funds for any such purpose, provided that such funds are derived from a source legally available for such purpose. The Successor Agency's obligation to pay the Rebate Amount to the United States of America pursuant to the Tax Certificate shall be considered the general obligation of the Successor Agency and shall be payable from any available funds of the Successor Agency.

The Bonds are limited obligations of the Successor Agency and are payable, as to interest on and principal of the Bonds, exclusively from the Tax Revenues, and the Successor Agency is not obligated to pay them except from the Tax Revenues. All of the Bonds are equally secured by a pledge of, and charge and lien upon, all of the Tax Revenues, and the Tax Revenues constitute a trust fund for the security and payment of the interest on and the principal of the Bonds. The Bonds are not a debt of the City, the State or any of its political subdivisions, and none of the City, the State nor any of its political subdivisions is liable therefor, nor in any event shall the Bonds be payable out of any funds or properties other than those of the Successor Agency. The Bonds do not constitute an indebtedness within the meaning of any constitutional

or statutory limitation or restriction, and neither the members of the Successor Agency nor any persons executing the Bonds are liable personally on the Bonds by reason of their issuance.

SECTION 11.02 Benefits of Indenture Limited to Parties. Nothing in the Indenture, expressed or implied, is intended to give to any person other than the Successor Agency, the Trustee, the Bond Insurer and the Owners any right, remedy or claim under or by reason of the Indenture. Any covenants, stipulations, promises or agreements contained in the Indenture by and on behalf of the Successor Agency or any member, officer or employee thereof shall be for the sole and exclusive benefit of the Trustee, the Bond Insurer and the Owners.

SECTION 11.03 Successor Deemed Included in All References to Predecessor. Whenever in the Indenture either the Successor Agency or any member, officer or employee of the Successor Agency is named or referred to, such reference shall be deemed to include the successor to the powers, duties and functions, with respect to the management, administration and control of the affairs of the Successor Agency, that are presently vested in the Successor Agency or such member, officer or employee, and all the agreements, covenants and provisions contained in the Indenture by or on behalf of the Successor Agency or any member, officer or employee of the Successor Agency shall bind and inure to the benefit of the respective successors of the Successor Agency whether so expressed or not.

SECTION 11.04 Execution of Documents by Owners. Any request, consent, declaration or other instrument which the Indenture may require or permit to be executed by Owners may be in one or more instruments of similar tenor, and shall be executed by Owners in person or by their attorneys appointed in writing.

Except as otherwise expressly provided in this Indenture, the fact and date of the execution by any Owner or such Owner's attorney of such request, consent, declaration or other instrument, or of such writing appointing such attorney, may be proved by the certificate of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state or territory in which such Owner purports to act, that the person signing such request, consent, declaration or other instrument or writing acknowledged to such notary public or other officer the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer.

Except as otherwise expressly provided in this Indenture, the amount of Bonds transferable by delivery held by any person executing such request, consent, declaration or other instrument or writing as an Owner, and the numbers thereof, and the date of such Owner's holding such Bonds, may be proved by a certificate, which need not be acknowledged or verified, satisfactory to the Trustee, executed by a trust company, bank or other depository wherever situated, showing that at the date therein mentioned such person had on deposit with such depository the Bonds described in such certificate. The Trustee may nevertheless in its discretion require further or other proof in cases where it deems the same desirable. The ownership of Bonds and the amount, maturity, number and date of holding the same shall be proved by the registry books provided for in Section 2.08.

Any request, consent, declaration or other instrument or writing of the Owner of any Bond shall bind all future Owners of such Bond in respect of anything done or suffered to be done by the Successor Agency or the Trustee in good faith and in accordance therewith.

SECTION 11.05 Waiver of Personal Liability. No member of the Successor Agency governing board, or officer or employee of the Successor Agency shall be individually or personally liable for the payment of the interest on or principal of the Bonds; but nothing contained in this Indenture shall relieve any member, officer or employee of the Successor Agency from the performance of any official duty provided by law.

SECTION 11.06 Content of Certificates and Reports. Any certificate made or given by an officer of the Successor Agency may be based, insofar as it relates to legal matters, upon a certificate or opinion of or representations by counsel, unless such officer knows that the certificate or opinion or representations with respect to the matters upon which such officer's Certificate may be based, as aforesaid, are erroneous, or in the exercise of reasonable care should have known that the same were erroneous. Any certificate or opinion or representation made or given by counsel may be based, insofar as it relates to factual matters or information with respect to which is in the possession of the Successor Agency, upon the certificate or opinion of or representations by an officer or officers of the Successor Agency, unless such counsel knows that the certificate or opinion or representations with respect to the matters upon which his certificate, opinion or representation may be based, as aforesaid, are erroneous, or in exercise of reasonable care should have known that the same were erroneous.

SECTION 11.07 Funds and Accounts. Any fund or account required by the Indenture to be established and maintained by the Successor Agency or the Trustee may be established and maintained in the accounting records of the Successor Agency or the Trustee either as a fund or an account, and may, for the purposes of such records, any audits thereof and any reports or statements with respect thereto, be treated either as a fund or as an account; but all such records with respect to all such funds and accounts shall at all times be maintained in accordance with sound accounting practices and with due regard for the protection of the security of the Bonds and the rights of the Owners.

SECTION 11.08 Destruction of Cancelled Bonds. Whenever provision is made for the surrender of any Bonds which have been paid or canceled pursuant to the provisions of this Fiscal Agent Agreement, the Trustee shall cancel and destroy such Bonds and upon Written Request of the Successor Agency furnish to the Successor Agency a certificate of such destruction.

SECTION 11.09 CUSIP Numbers. Neither the Successor Agency nor the Trustee shall be liable for any defect or inaccuracy in the CUSIP number that appears on any Bond or in any redemption notice relating thereto. The Trustee may, in its discretion, include in any redemption notice relating to any of the Bonds a statement to the effect that the CUSIP numbers on the Bonds have been assigned by an independent service and are included in such notice solely for the convenience of the Owners and that neither the Successor Agency nor the Trustee shall be liable for any defects or inaccuracies in such numbers.

SECTION 11.10 Partial Invalidity. If any one or more of the agreements or covenants or portions thereof provided in the Indenture to be performed on the part of the Successor Agency (or of the Trustee) should be contrary to law, then such agreement or agreements, such covenant or covenants, or such portions thereof, shall be null and void and shall be deemed separable from the remaining agreements and covenants or portions thereof and shall in no way affect the validity of the Indenture or of the Bonds; but the Owners shall retain all the rights and benefits accorded to them under the Law or any other applicable provisions of law. The Successor Agency hereby declares that it would have adopted the Indenture and each and every other section, paragraph, subdivision, sentence, clause and phrase of this Indenture and would have authorized the issuance of the Bonds pursuant hereto irrespective of the fact that any one or more sections, paragraphs, subdivisions, sentences, clauses or phrases of the Indenture or the application thereof to any person or circumstance may be held to be unconstitutional, unenforceable or invalid.

SUCCESSOR AGENCY TO THE WINTERS COMMUNITY DEVELOPMENT AGENCY
TAX ALLOCATION REFUNDING BOND
SERIES 2017

Interest Rate	Maturity Date	Dated Date	CUSIP

REGISTERED OWNER: [CEDE & CO.]

PRINCIPAL AMOUNT:

The Successor Agency to the Winters Community Development Agency, a public body, corporate and politic, duly organized and existing under and pursuant to the laws of the State of California (the "Successor Agency"), for value received hereby promises to pay to the registered owner specified above, or registered assigns, on the Maturity Date specified above the Principal Amount specified above, together with interest thereon until the principal of this bond (the "Bond") shall have been paid. Interest on this Bond shall be payable semiannually on [March 1, 2017] and thereafter on September 1 and March 1 each year (each an "Interest Payment Date"). This Bond shall bear interest at the Interest Rate specified above from the Interest Payment Date next preceding the date of authentication hereof, unless (i) it is authenticated during the period from the day after the Record Date for an Interest Payment Date (i.e., the 15th day of the month next preceding such Interest Payment Date) to and including such Interest Payment Date, in which event it shall bear interest from such Interest Payment Date, or (ii) it is authenticated on or prior to the Record Date for the first Interest Payment Date, in which event it shall bear interest from the dated date shown above; provided, however, that if, at the time of authentication, interest with respect to this Bond is in default, it shall bear interest from the Interest Payment Date to which interest has been paid or made available for payment with respect to this Bond.

Both the interest on and principal of this Bond are payable in lawful money of the United States of America. The principal (or redemption price) hereof is payable upon surrender of this Bond at maturity or the earlier redemption of this Bond at the corporate trust office of [The Bank of New York Mellon Trust Company, N.A.] (the "Trustee") in [San Francisco][Los Angeles], California, or at such other office as the Trustee may designate (the "Trust Office"). Interest on this Bond is payable by check mailed on each Interest Payment Date by first class mail to the person in whose name this Bond is registered at the close of business on the Record Date of the applicable Interest Payment Date at such person's address as it appears on the registration books of the Trustee, or upon written request received by the Trustee prior to the Record Date for an Interest Payment Date of an Owner of Bonds in the aggregate principal amount of \$1,000,000 or more, by transfer in immediately available funds to an account within the United States designated by such Owner.

This Bond is one of a duly authorized issue of bonds of the Successor Agency designated Successor Agency to the Winters Community Development Agency Tax Allocation Refunding Bonds, Series 2017 (the "Bonds"), limited in aggregate principal amount to \$ _____, issued under the provisions of Section 34177.5 of the California Health and Safety Code and Article 11 (commencing with Section 53580) of Chapter 3 of Part 1 of Division 2 of Title 5 of the California Government Code (the "Refunding Bond Law"), and pursuant to the provisions of an Indenture, dated as of _____, 2016 by and between the Successor Agency and the Trustee (as the same may be amended or supplemented from time to time pursuant to the terms thereof, the "Indenture"),. Capitalized terms used but not otherwise defined herein have the meanings ascribed to them in the Indenture.

The Bonds are issued for the purposes of effecting a refunding of outstanding bonds issued by the former Winters Community Development Agency, which were incurred to finance the redevelopment projects.

The Bonds are equally secured by a pledge of, and charge and lien upon, the Tax Revenues, and the Tax Revenues constitute a trust fund for the security and payment of the interest on and principal of and redemption premiums, if any, on the Bonds. Subject to the terms and conditions set forth in the Indenture, additional tax allocation bonds payable from the Tax Revenues may be issued which will rank equally as to security with the Bonds, but only for the purposes of refunding a portion of the Bonds.

Reference is hereby made to the Indenture, to any supplemental indentures thereto and to the Refunding Bond Law and the Law (as amended by the Dissolution Act) for a description of the terms on which the Bonds are issued, for the provisions with regard to the nature and extent of the security provided for the Bonds and of the nature, extent and manner of enforcement of such security, and for a statement of the rights of the registered owners of the Bonds. All the terms of the Indenture, the Refunding Bond Law and the Law (as amended by the Dissolution Act) are hereby incorporated herein and constitute a contract between the Successor Agency and the registered owner from time to time of this Bond, and to all the provisions thereof the registered owner of this Bond, by such owner's acceptance hereof, consents and agrees. Each registered owner hereof shall have recourse to all the provisions of the Refunding Bond Law, the Law (as amended by the Dissolution Act) and the Indenture and shall be bound by all the terms and conditions thereof.

The Bonds maturing on or before September 1, 20__ shall not be subject to optional redemption prior to their maturity. The Bonds maturing on or after September 1, 20__ shall be subject to redemption as a whole or in part, from such maturities as the Successor Agency shall designate prior to their maturity at the option of the Successor Agency on any date on or after September 1, 20__, from funds derived by the Successor Agency from any source, at a redemption price equal to 100 percent of the principal amount of the Bonds to be redeemed, together with interest accrued thereon to the date fixed for redemption, without premium.

The Bonds maturing on September 1, 20__ and September 1, 20__ shall be subject to mandatory sinking account redemption in part by lot at a redemption price equal to the principal amount thereof to be redeemed, without premium, on September 1 of the years and in the aggregate respective principal amounts set forth in the Indenture.

As provided in the Indenture, notice of redemption of any Bond shall be sent by first class mail (or such other means as acceptable to the recipient of such notice) not more than 60 days and not less than 30 days prior to the redemption date, to the respective Owner of this Bond at the address appearing on the registration books of the Trustee and to certain securities depository and information services. Failure to receive such notice shall not affect the sufficiency of such proceedings for redemption. If notice of redemption has been duly given as aforesaid and money for payment of the above described redemption price is held by the Trustee, then such Bonds shall, on the redemption date designated in such notice, become due and payable at the above described redemption price; and from and after the date so designated interest on the Bonds so called for redemption shall cease to accrue and registered owners of such Bonds shall have no rights in respect thereof except to receive payment of such redemption price thereof.

If an Event of Default shall occur, the principal of all Bonds may be declared due and payable upon the conditions, in the manner and with the effect provided in the Indenture; except that the Indenture provides that in certain events such declaration and its consequences may be rescinded by the registered owners of at least a majority in aggregate principal amount of the Bonds then outstanding.

The registered owner of any Bond(s) may surrender the same at the Trust Office in exchange for an equal aggregate principal amount of fully registered Bonds of any other authorized denominations, in the manner, subject to the conditions and upon the payment of the charges provided in the Indenture.

This Bond is transferable, as provided in the Indenture, only upon a register to be kept for that purpose at the Trust Office by the registered owner of this Bond in person, or by such registered owner's duly authorized attorney, upon surrender of this Bond together with a written instrument of transfer satisfactory to the Trustee duly executed by the registered owner or such registered owner's duly authorized attorney, and thereupon a new fully registered Bond(s), in the same aggregate principal amount, shall be issued to the transferee in exchange therefor as provided in the Indenture, and upon payment of the charges therein prescribed. The Successor Agency and the Trustee may deem and treat the person in whose name this Bond is registered as the absolute owner of this Bond for the purpose of receiving payment of, or on account of, the interest on and principal of and redemption premium, if any, on this Bond and for all other

purposes. The Trustee shall not be required to register the transfer or exchange of any Bond during the 15 days preceding any date established by the Trustee for selection of Bonds for redemption or any Bonds which have matured or been selected for redemption.

The rights and obligations of the Successor Agency and of the registered owners of the Bonds may be amended at any time in the manner, to the extent and upon the terms provided in the Indenture, but no such amendment shall (1) extend the maturity of this Bond, or reduce the interest rate on this Bond, or otherwise alter or impair the obligation of the Successor Agency to pay the interest on, principal of or any premium payable on the redemption of this Bond at the time and place and at the rate and in the currency provided in this Bond, without the express written consent of the registered owner of this Bond, or (2) permit the creation by the Successor Agency of any mortgage, pledge or lien upon the Tax Revenues superior to or on a parity with the pledge and lien created in the Indenture for the benefit of the Bonds and all additional parity tax allocation bonds authorized by the Indenture, except as provided in the Indenture, or (3) reduce the percentage of Bonds required for the written consent to an amendment of the Indenture, or (4) modify any rights or obligations of the Trustee without its prior written assent thereto; all as more fully set forth in the Indenture.

This Bond is not a debt of the City of Winters (the "City"), the State of California or any of its political subdivisions, and none of the City, the State nor any of its political subdivisions is liable on this Bond, nor in any event shall this Bond or any interest on this Bond or any redemption premium on this Bond be payable out of any funds or properties other than Tax Revenues and the funds pledged pursuant to the Indenture. The Bonds do not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction, and neither the members of the Successor Agency nor any persons executing the Bonds shall be personally liable on the Bonds by reason of their issuance.

This Bond shall not be entitled to any benefits under the Indenture or become valid or obligatory for any purpose until the certificate of authentication and registration on this Bond endorsed shall have been manually signed by the Trustee.

It is hereby certified that all of the acts, conditions and things required to exist, to have happened or to have been performed precedent to and in the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by law and that the amount of this Bond, together with all other indebtedness of the Successor Agency, does not exceed any limit prescribed by the Constitution or laws of the State of California, and is not in excess of the amount of Bonds permitted to be issued under the Indenture.

IN WITNESS WHEREOF, the Successor Agency to the Winters Community Development Agency has caused this Bond to be executed in its name and on its behalf by its Chair and attested by its Secretary, and has caused this Bond to be dated the date first written above.

**OVERSIGHT BOARD TO THE
SUCCESSOR AGENCY TO THE
FORMER WINTERS COMMUNITY DEVELOPMENT AGENCY
STAFF REPORT**

TO: Chair and Members of the Oversight Board to the Successor Agency to the Former Winters Community Development Agency

DATE: November 7, 2016

FROM: Shelly A. Gunby, Director of Financial Management *Shelly*

SUBJECT: Transfer of former Community Development Agency Property from the Successor Agency to the Former Winters Community Development Agency to the City of Winters for Governmental Use

RECOMMENDATION:

That the Oversight Board adopt a resolution authorizing and directing the Executive Director of the Successor Agency to take such actions and execute such documents as are necessary to convey to the City of Winters for governmental use certain property that was owned by the Winters Community Development Agency.

BACKGROUND:

Pursuant to the Health and Safety Code Section 34172, the Community Development Agency of the City of Winters ("Redevelopment Agency") was dissolved as of February 1, 2012. Pursuant to Health and Safety Code Section 34173(d), the City of Winters became the successor agency to the former Redevelopment Agency (the "Successor Agency"), as confirmed by adoption by the City Council of Resolution No. 2012-02 on January 17, 2012. Pursuant to Health and Safety Code Section 34173(g), the Successor Agency is a separate public entity from the City. The Successor Agency is responsible for the wind-down of the former Redevelopment Agency, including without limitation the disposition of assets and properties of the former Redevelopment Agency.

Pursuant to Health and Safety Code Section 34191.5, after the Successor Agency

receives a finding of completion ("FOC") from DOF, the Successor Agency must prepare a Long Range Property Management Plan ("LRPMP"). The Successor Agency was granted a FOC on June 12, 2013, and prepared an LRPMP, which has been approved by the Oversight Board and DOF (by letter dated December 2, 2014).

It was recently determined that one property previously owned by the Redevelopment Agency was not included in the LRPMP, namely an approximately .435 acre site located on the southeast corner of Railroad and East Main Street that is currently developed with and used as a public parking lot (APN 003-224-001) (the "Governmental Use Property").

The Governmental Use Property was previously owned by the City of Winters, and has been used as a publicly owned parking lot since at least 1980. In 2003, the City was approached by a development group interested in developing the property. In anticipation of negotiating a development project, the City proposed to transfer the property to the Redevelopment Agency to facilitate the transaction with the proposed development group. On August 5, 2003, the Winters City Council adopted Resolution 2003-39 approving the contingent sale of the Governmental Use Property to the Redevelopment Agency, and subsequently adopted Resolution 2004-30 at the Council's September 7, 2004 meeting authorizing the sale of the Governmental Use Property to the Redevelopment Agency for the appraised price of \$120,000, which sales proceeds were to be set aside in a separate downtown parking development account.

The Redevelopment Agency never actually paid the City for the Governmental Use Property, but a grant deed was conveying the Governmental Use Property was erroneously executed and recorded conveying the Property to the Redevelopment Agency. The attached City General Ledger Reports for Fiscal Years 2003-04 and 2004-05 demonstrate that the City never received payment from the Redevelopment Agency for the Governmental Use Property. The development contemplated in 2003 never moved forward, and the Governmental Use Property has been continuously used as a public parking lot.

Health and Safety Code Section 34181(a)(1) provides that the Oversight Board shall direct the Successor Agency to dispose of all assets and properties of the former Redevelopment Agency; provided, however, that the Oversight Board may instead direct the Successor Agency to "transfer ownership of those assets that were constructed and used for a government purpose, such as ... parking facilities and lots dedicated solely to public parking ... to the appropriate public jurisdiction."

Pursuant to Health and Safety Code Section 34181(f), before properties can be transferred in accordance with Section 34181(a), the transfer must be approved by the Oversight Board, by resolution adopted at a public meeting after at least 10 days' notice to the public of the specific proposed actions. The Oversight Board's action is subject to review by the Department of Finance ("DOF") pursuant to Health and Safety Code Section 34179.

Transfer of the Governmental Use Property to the City was approved by the Successor

Agency and by the City Council on November 1, 2016. Staff recommends that the Oversight Board adopt a resolution approving the transfer of the Governmental Use Property to the City for continued use as a public parking lot, and direct staff to cooperate with Successor Agency staff to submit such action to DOF for review pursuant to Health and Safety Code Section 34179.

RECOMMENDED ACTION:

1. That the Oversight Board authorize and direct conveyance of the Governmental Use Property (public parking lot, APN 003-224-001) to the City for continued use as a public parking lot.

ATTACHMENTS:

1. Oversight Board Resolution Authorizing and Directing the Transfer of the Governmental Use Property by the Successor Agency to the City of Winters

RESOLUTION NO. OB-2016-05

A RESOLUTION OF THE OVERSIGHT BOARD TO THE SUCCESSOR AGENCY TO THE FORMER COMMUNITY DEVELOPMENT AGENCY OF THE CITY OF WINTERS DIRECTING AND AUTHORIZING THE TRANSFER OF A GOVERNMENTAL USE PROPERTY TO CITY OF WINTERS, PURSUANT TO HEALTH AND SAFETY CODE SECTION 34181

WHEREAS, pursuant to Health and Safety Code Section 34173(d), following dissolution of the Community Development Agency of the City of Winters (“Redevelopment Agency”), the City became the successor agency to the former Redevelopment Agency (“Successor Agency”), and pursuant to Health and Safety Code Section 34173(g), the Successor Agency is a separate public entity from the City; and
