DISCUSSION ITEMS

1. Designation of Mayor / Mayor Pro Tempore

City Attorney Iris Yang said that although the tradition of designating a Mayor is usually based on the highest vote in the last election, Council does not always follow this tradition and Council has the flexibility to do what they want. Council Member Loren confirmed the tradition of designating the Mayor is based on two years serving as Mayor Pro Tem and then serving two years as Mayor. Council Member Cowan made a motion to have Mayor Pro Tem Biasi become Mayor, who said he has been thinking about it and is honored to be considered. He

added that it takes a couple of years to be an effective Council Member and it's a lot more than just attending two meetings a month. It also requires representation on local and regional committees. Many current projects have been in the planning stage for awhile and he has served on the Council for the last six months. There are a couple of candidates for Mayor who have at least four years of experience and who have served in the past. Therefore, Mayor Pro Tem Biasi nominated Council Member Cowan to serve as Mayor for the next 18 months, Council Member Loren seconded the nomination and Council approved the nomination unanimously. Mayor Pro Tem Biasi will remain as Mayor Pro Tem during this period. Mayor Cowan rescinded his nomination and said it would be an honor to serve as Mayor. He said he won't be able to fill Cecilia's shoes because she has done things for Winters that nobody has ever done, but he will give it 100%.

2. Waste Management Contract Extension

City Manager Donlevy gave an overview and said the current contract expires on 12/31/16. Although the contract extension can extend up to one year, this contract extension will be valid only until staff brings a new contract to Council in January or February. Council Member Anderson asked if a leafing period was being considered and City Manager Donlevy confirmed that Council can expect to see this in the proposal when it comes forward. He also confirmed that the City is moving to green waste containers, and beginning on 1/2/17, green waste will be picked up on Mondays instead of Fridays. Some of the details to come forward will include the frequency of green waste street pickup, whether green waste containers will be required, and whether weekly street sweeping will be included in the new contract.

Motion by Council Member Loren, second by Council Member Neu to authorize the City Manager to execute the extension of the existing 2006 franchise agreement with Waste Management for waste collection services for up to one year. Motion carried with the following vote:

AYES: Council Members Anderson, Biasi, Loren, Neu, Mayor Cowan

CITY OF WINTERS AS SUCCESSOR AGENCY TO THE WINTERS COMMUNITY DEVELOPMENT AGENCY

1. None

CITY MANAGER REPORT: There will be no City Manager update during the last two weeks of the year as everyone's out of office replies are on. City Manager Donlevy has been named the 2017 chairman for the Yolo Managers Committee. A workshop for City staff and managers will be scheduled to discuss housing, homelessness, and affordable housing. AB109 doesn't always work, so we need some level of housing in place. The CalPERS board is considering a discount rate (projected percentage amount of investment return on PERS contributions), which determines the retirement costs an agency pays. This will be a major issue. On 12/2, the parking committee and volunteers gathered 48,000 pieces of data for the parking study. The low bidder for the roundabout project has agreed to hold and honor their bid for 60 days to track down funding sources for the project. A meeting will be scheduled with Caltrans, staff and consultants regarding this project. Carolyn Coleman has been named the Executive Director of the League of California Cities, the chief legislative advocate for local government. An inquiry was made today about a medical marijuana dispensary! City Manager met with Wally Pearce of the Winters Senior Foundation and a representative from AARP, where the discussion included an analysis of services for seniors and how to make the community senior-friendly. City staff will pursue. City Hall will be closed from Friday, December 23rd through Monday, January 2nd.
