

CITY OF WINTERS

CONSTRUCTION AND DEMOLITION: RECYCLING,
RE-USE AND DISPOSAL PROGRAM

*318 First St.
Winters, CA 95694*

CITY OF WINTERS

318 First St. Winters, CA 95694

- Construction and Demolition Disposal Program Instructions
- Applicable Projects and Form Requirements
- Debris Recycling and Diversion Checklist
- Builders Statement regarding Recycling of Materials
- Construction and Demolition Waste Material Summary Forms (2)
- City of Winters - C&D Recycling Ordinance 2002-03

For questions regarding this program contact: Carol Scianna, Public Works at 530-794-6715 or carol.scianna@cityofwinters.org

Construction and Demolition Recycling, Re-Use and Disposal Program

- ❖ City of Winters - Construction and Demolition (C&D) - Recycling, Re-Use and Disposal Program requirements apply to most construction, demolition or remodeling projects. This program applies to **all residential projects** and **certain non-residential projects (see page 2)**. The 2016 CalGreen Building Code also mandates a **65% minimum diversion rate** for all construction and demolition materials generated related to the jobsite.
- ❖ Contractors and individuals are required to complete the **Builders Statement** before a building permit is issued. It is also the builder's responsibility to notify all subcontractors at the jobsite about the City's C&D disposal program requirements.
- ❖ The City of Winters has a Franchise Agreement for the City's waste and recycling services with **Waste Management** of Winters and C&D removal is part of this franchise agreement. You may contact Waste Management Customer Services to set up an account and arrange for recycling and garbage services for you job site. Contact: Waste Management Customer Services at (866) 844-1508.
- ❖ Before the final building permit inspection is scheduled the **Construction and Demolition Waste Material Disposition Summary Forms** must be completed and submitted to the Building Department by applicant. Builder may contact Waste Management to obtain the information regarding the disposal loads from their job site such as weigh tags that will be necessary to complete summary forms.

Construction & Demolition (C&D)

Applicable Projects and Form Requirements

The following project types are required to follow the NEW CalGreen requirements effective January 1, 2017.

RESIDENTIAL

- All new residential Construction.
- All residential Demolition.
- Addition or Alteration of existing residential buildings or structures where the addition or alteration increases the building's conditioned area, volume, or size.

NON-RESIDENTIAL

- All new commercial Construction.
- All commercial Demolition.
- Addition or Alteration of a commercial, industrial or institutional building or structure whenever a building permit is required.

Form Requirements

- Contractors and individuals must complete the ***Builders Statement*** before a building permit is issued. (All subcontractors at jobsite must be notified about the City's C&D disposal program requirements).
- **Construction and Demolition Waste Material Summary Forms (2)** must be completed and submitted to Building Department before the final building permit inspection is scheduled.

Debris Recycling and Diversion Checklist

The City of Winters has a Franchise Agreement for the City's waste and recycling services with **Waste Management** of Winters. Construction and Demolition (C&D) is part of the franchise agreement.

It is advised that builders contact **Waste Management Customer Services** to set up an account and arrange for recycling and garbage services for a job site.

Waste Management Customer Service

Phone: (866) 844-1508

Email: cssacramento@wm.com

Items Accepted in Mixed Loads at Yolo County Landfill C&D Facility:

44090 County Rd. 28H Woodland, CA 95776

Hours: Mon – Sat (6:30am – 4:00pm) Sun (8:00am – 4:00pm)

Contact: Waste Reduction Manager: (530) 666-8813

Recycling Coordinator: (530) 666-8856

Landfill: (530) 666-8729

(In order to be accepted for recycling, each load must contain at least 65% by weight of the following materials):

- ❖ **Cardboard (OCC)**
 - Remove all Styrofoam, film plastic & other contents of cardboard boxes.
- ❖ **Drywall (Gypsum Wallboard/Sheetrock)**
- ❖ **Interts**
 - Concrete, Asphalt, Bricks, Dirt, Soil, Gravel, Porcelain Sinks, toilets, Counter Tops, Ceramic Floor Tile, & Used Roof Tiles.
- ❖ **Metals**
 - Scrap Metals, Steel, Aluminum, Copper, & Appliances – Separate fees apply.
- ❖ **Plastics**
 - Plastics Coded #1, 2, 3, 4, 5, & 7.
- ❖ **Wood**
 - Lumber, Painted Wood, Branches, Green Waste, Pallets, Logs, Wood Furniture, Wood Cabinets, Plywood, OSB, & Particle Board

- ✓ *At least 65% of debris generated during new construction and demolition projects shall be diverted from the landfill.*
- ✓ Provide **verifiable documentation** that the percentage of construction waste material diverted from the landfill.
- ✓ **100%** of soil and land clearing debris shall be **reused or recycled**.

(Trees, stumps, rocks and associated vegetation and soils resulting primarily from land clearing).

- ✓ **Excavated soil and land clearing debris** shall not be reused if contaminated by disease or pest infestation.
- ✓ **Universal Waste** items shall be disposed of properly and diverted from landfills.

- ❖ *Compact Fluorescent light (CFL) bulbs and fluorescent tubes*
- ❖ *Common household batteries (rechargeable and non-rechargeable)*
- ❖ *Pilot light sensors*
- ❖ *Old thermostats*
- ❖ *Mercury devices (thermometers, gauges, electrical switches and relays)*
- ❖ *Electronic devices*
- ❖ *Non-empty aerosol cans*
- ❖ *Microwaves*

Items Not Accepted for Recycling at Yolo County Landfill C&D Facility: *(Additional Disposal Fees Apply)*

- ❖ (PVC) Pipe #3, (PS) Styrofoam #6, Film Plastic, Shrink Wrap
- ❖ Pressure Treated Wood, Wood/Comp. Roof Shingles, Lead Based Painted wood.

Applicant Statement

In recognition of the requirement of the State of California has placed on all jurisdictions to maximize the diversion of solid waste away from landfills, I will notify all subcontractors, if applicable, of the tracking of materials by the City of Winters; to salvage, re-use and recycle the maximum amount of materials feasible; and to report final figures on the disposition of materials to City staff as specified.

Construction and Demolition Waste Material Disposition Summary

Fill out the tables below. The unit of measurement is "tons". If tonnage information is not available, estimates can be provided in "cubic yards".

Part I. CONSTRUCTION MATERIALS (tons)					
<u>Material Type</u>	Disposed in Class III Landfill	Taken to Inert Fills	Other Disposal (describe)	Reduced, Recycled or Salvaged	How Diverted? (e.g., reused as aggregate, etc.)
Concrete					
Asphalt					
Dirt					
Wood					
Metals					
Mixed Waste					
Other (describe)					
Total Tons	A=	B=	C=	D=	

Diversion Rate: $D / (A+B+C+D) =$

Additional Notes / Comments:

I. Disposal Facilities

Please name of the facilities (e.g., landfill or inert facility name) materials are taken to:

Facility Name _____
Total Tons

Facility Name _____
Total Tons

Facility Name _____
Total Tons

II. Recycling Facilities

Please name of the recycling facilities or recycler (materials given or sold to):

Recycler / Recycling Facility Name _____
Total Tons

Recycler / Recycling Facility Name _____
Total Tons

Recycler / Recycling Facility Name _____
Total Tons

To the best of my knowledge, the above estimates are an accurate representation of the disposition of the construction and demolition materials generated on-site at the construction job. I understand that the City may audit disposal and recycling documentation related to this survey.
