Curbside Bulky Pickups Available

Have you ordered your free curbside bulky pickup?

Each Winters household gets one free curbside bulky pickup a year to help dispose of items such as furniture, appliances and electronics. Residents can set out up to 4 cubic yards of materials.

Pickups are conducted by appointment only and occur one Monday each month. (Please see calendar.) Residents must call customer service at 530-795-1201 one week ahead of the bulky pickup day to schedule an appointment. Once scheduled, just set your materials curbside before 5 a.m. and we'll collect them at no extra charge! Take advantage of this program and rid your home of clutter!

Don't Trash Your Food: Compost It Instead!

Food Scraps, Including Egg Shells, Meat & Bones, Pizza Boxes & Food-Soiled Paper, Coffee Grounds

Have you been trashing your food and food-soiled paper? Try separating them for compost instead. Winters residents can dispose of food scraps and food-soiled paper in their green waste bins for composting!

Not only will you help the environment by creating a natural soil amendment that removes carbon from the atmosphere, you're also reducing the amount of waste headed to landfills. You can also trim the amount of trash you have each week!

Try separating your food scraps and food-soiled paper and see the difference it makes!

Street Pile Collection Monthly Until November

Quick reminder: Yard waste street pile collections will occur one Monday a month between February and November (see calendar). Please do not place food waste in your yard waste street pile, these piles are for yard waste only.
