

## City of Winters

### Mission Statement

We are committed to providing highly effective public services in a professional, cooperative, and adaptable manner. We will be a proactive, informative, and responsive government through communications and actions that welcome participation from all segments of our community. We are committed to excellence through respectful, responsive, and responsible customer service. We will carry out our responsibilities in a manner that enhances the quality of life in Winters.

As employees we will always strive to improve ourselves, our position, others, our departments, and most of all, the City of Winters.
