

Fire Victims Relief Night

Dr. Sellers Field

Winters Warriors vs. St. Helena Saints

Monday October 16, 2017 – 6:00 (Varsity Only)

Please join us for some Monday Night Football and more importantly our Fire Victims Relief Night. Due to the fires that are still raging across the Napa Valley, Friday's football game has been postponed to Monday night October 16th at 6:00. Winters High School will be joining forces with St. Helena High School and the Winters Fire Department in an effort to raise funds and collect donations for families affected by the devastating fires.

The WFD will have collection bins set up at the gate. We're hoping to collect clothing and/or toiletry items. All donations will be greatly appreciated as many families lost everything. WFD will also be walking around with a boot for individuals who want to make additional monetary contributions.

We are asking for a \$10 general admission donation at the gate which will also get you entrance into the game. *(If you prefer not to give a donation, normal gate prices will be in effect. Including free entrance for all WHS Students with an ASB Card).*

Lastly, we are asking that everyone wear blue to the game in an effort to recognize and support all of the amazing City and Cal Fire employees that continuously protect our communities, especially in times like this.
