Blue Mountain Terrace will offer 63 brand-new, affordable 1 & 2 bedroom apartment homes for Seniors (all household members must be 62 years of age or older) on a fixed income. 22 of the 63 units are designated specifically for disabled seniors.

The community is nestled between the historic downtown and the main entrance into the city. Amenities include: an on-site community center with resident activities, an outdoor seating plaza, on-site management, on-site laundry facilities, an elevator, passenger loading areas, a community garden and much more.

Blue Mountain Terrace will allow local seniors to age in place, with affordable rents, within walking distance of the historic downtown, health services, markets, restaurants and Putah Creek.
